Bob Bruce, Chairman for this meeting. Speaker, Mr. W.A. Goodyear, from the Standard Oil Company. Subject? We'll learn it when the gentleman comes. As attendance prize maybe it will be a fish, hooked by champion Striped Bass Bob.

Good talk last week by "Dutch" Flohr, Chief Deputy Sheriff. Now, that our fingerprints are being taken, and that there is efficiency in the Sheriff's department, we'd better behave, don't you think?

St. Mary's 10; U.C. 0! Just received the flash this Saturday P.M. Eddie Beeson stand. Frank Sohler wants to rub it in.

THE BIG KIWANIS SHOW \$ December 15-16. We're in it for SUCCESS. Cast all other dates into Limbo; or thither you'll be consigned. Fred Cairns and his committee are on the job. The Big Game will be off the boards; politics will be out of the way; and all turkey gormandizers will have indigestion squelched. Let's all be up and doing then.

Speaking of politics, for those who read not the Kiwanis Magazine (if any) let us quote: "Of course there is no debate as to whether Kiwanis shall participate in partizan politics. That is definitely out, if Kiwanis wants to continue its existence".

The above, however, does not mean that there is no place for other kind of politics in a Kiwanis club. We should be lax in duty were we not to work for the best local men and principles. One instance when WE BUILD.

An inter-club "Smoker" is another coming event. It will be held in Healdsburg. Our club is sponsoring it. Just wait until Floyd Darby does his stuff. Sure to be a hummer. Date pretty soon. Get in training

Chairman Russ Stevens has booked for this meeting a representative of the Junior Chamber of Commerce of San Francisco - Mr. Ransom Holms. It is to be a review of the several propositions on the ballot, November 3d. So timely and significant is the subject for discussion that Russ asks that every member be in his chair on this occasion.

The discussion to day is by no means of a partizan political nature, but one well within the province of service club activities. We all are entitled to learn what's what before casting the ballots.

"Black Gold" was well handled last week by Mr. W.A. Goodyear, of the Standard Oil Company. When properly presented, subjects of this nature are always educational and transcend in importance anything which smacks of advertising.

"Hizzonor", the Mayor, will do the presiding act to day, with all the prerogative and authority vested in his exalted self. Chairman Roy has secured Mr. Harry N. Jenks, Consulting Engineer of Berkeley, Cal., as the speaker. Mr. Jenks has been employed by the City of Healdsburg to prepare plans and specifications for a new sewage disposal plant for our municipality. Should be of unusual interest to us and to the entire community.

COMING EVENTS: Election of Officers next Tuesday. On the same day, President Harold's report on the recent District Convention. National Election, November 3d. Inter-Club Smoker, in Healdsburg, November 7th. "Big Game"- Stanford vs California. ^{November 21st.} Thanksgiving, November 26th, Great BIG Kiwanis Show, December, 15-16.

How about the Christmas basquets? Committee must be on the job November 1st. Also, time now to arrange for another outstanding speaker for the annual (January) meeting.

Fairly new Kiwanians, attorneys John Condit and Jess Ratchford, just won their first jury cases, in Healdsburg. Should give a party, so say we all of us.

Some of the gang declare: "We Want New Songs". Why not offer prizes for the best originals? Song Leader Fred Cairns says AMEN.

Rol Luick said Au Revoir, and left for his new berth in Petaluma. Rol says: "I want to be in on thar "Smoker". He's in, and with a couple of friends. In spirit he's with us still.
