## THIS WEEK:

Look for something truly outstanding this week when ERNIE BIASOTTI introduces Monsignor Riley, head of Saint Joseph's School for the Deaf and Hard of Hearing in Oakland. Our speaker is a lifetime member of the Oakland Kiwanis Club. His topic will be of special interest to Kiwanians who have friends who are deaf and hard of hearing.

## KEY CLUB:

Now that our schools are in session once again, the Key Club will be looking forward to its weekly visitation by a member of our Club. Meetings are held at 12:00 noon at the Senior High School. Kiwanians failing to keep their appointments will be called upon by President TED for the usual \$1. Members not knowing exact location of the Club's meeting place should contact ELVIN JACKSON, Key Club Committee Chairman, for details.

## PUBLIC RELATIONS and BUSINESS AFFAIRS COMMITTEE:

A special meeting of the committee will be held immediately following the luncheon meeting Tuesday. The following committee members, please note: WALT MARSHALL, JACK MOUNTS, ROY DSOLAN, ED CASE, ARNOLD SANTUCCI & IRA ROSENBERG, Ch.

## ATTENTION--ALL MEMBERS:

Prepare to select by ballot today the officers who will guide the affairs of our Club in 1957. Our Nominating Committee, consisting of CHUCK CAMPBELL, WALBO IVERSEN, BY GIBBS & EARL OSBORN, submitted the following slate of candidates at last Tuesday's meeting:

RAY SKINNER

Board of Directors-- BRENT AIKIN--BOB ALLEN--RAY BASKIN--TOM BEAHM--BURNETT  
(Vote for 4) BIDWELL--PHIL CADCSI--ELVIN JACKSON--BOB MALONE

President TED suggested listing this slate of candidates in the Builder so that members may have an opportunity to make their selections before the meeting begins.

## DISTRICT CONVENTION--SANTA CRUZ:

President TED is having some difficulty in fielding the 3 official delegates needed to represent our Club at the Convention commencing Sunday, October 7th. For most of us this is a very busy season. TED would appreciate hearing from any members who can arrange to attend this convention.

## KINDLY NOTE:

that warm congratulations are now due LEN and Marian BOYD on arrival of their first grandchild. Eileen Marie Mahoney, born in St. Joseph's Hospital at Stockton, is just 5 days old today.

Vice President	LEN BOYD
Treasurer	AL HUDDART
Sergeant-at-Arms	DICK HOLTZEN
Directors	BRENT AIKIN
	BOB ALLEN
	ELVIN JACKSON

## NEW MEMBER:

DON FREDIANI needs no introduction to the majority of our members. We used to keep well posted on DON'S progress when his father Leo was a member of our Club. When DON convinces Dad of the error of his ways and proudly inducts him back into Kiwanis-that will be the day!!

DON graduated from Stanford in 1951 and then embarked on a tour of the Far East under the auspices of the Navy, emerging with the rank of Lieutenant, J.G. He is now a partner with his father in a well known automobile agency. We are happy to have you aboard, DON, and are sure that among the many activities of Kiwanis you will find some that will keep you interested - and busy.

## LIEUTENANT GOVERNOR for 1957:

RELY AIKIN and ED BEESON represented our Club at the Division 8 Caucus on Sept. 16th. They assisted in nominating our old friend Tom Ludcke to be the next Lieut. Governor. Tom represents the new club of Greater Vallejo but it was here as President of our Club that he got his training.

## BOY SCOUTS of AMERICA:

Kiwanis was fully represented at the kick-off breakfast last Tuesday and the annual drive is now in full swing. If you haven't been contacted yet, our Chairmen JERRY MILLER and LEE SILVEIRA will be glad to correct the omission.

## TRAVEL NOTE:

Expect CHARLIE EAST back by the end of the week provided the air route is navigable over the North Pole.

## KEY CLUB:

It's a hometown deal at the Key Club this week. BUD CHRISTENSEN is our Kiwanis Representative. Mark the eleventh on your calendar, BUD.

## TUESDAY:

AL HUDDALL will introduce Jack Taylor of Santa Rosa who will speak on - (you guessed it) - Investments.

## KEY CLUB:

JIM CLARKE does the honors at Key Club this Thursday-October 18- at noon.

## SCOUT FUND DRIVE:

Campaign Chairman Don Harper reports that to date only \$400.00 has been turned in to our Fiscal Agent, ROY HALEY. All Kiwanis drive workers are urged to complete their calls by Thursday. Write a reason for your inability to contact any prospective donor on his card (moved, duplicate card, refused to donate). These cards should be returned to BRENT AIKIN or IRA ROSENBERG not later than Thursday afternoon.

## CONVENTION:

President TED and his wife Katherine and Vice President elect LEN and his wife Marian have just returned from the annual Cal-Nev-Ha District Convention held at Santa Cruz. Two hundred seven official delegates represented all but fifty-seven of the district's Clubs. Total convention attendance was 2,142. Highlight of the session was an address by Dr. Robert E. Burns, President of College of the Pacific. Dr. Burns has just returned from a trip to Russia and told of his experiences there. We can look forward to a Convention report from TED and LEN at an early date.

## THIS WEEK:

ACT I..RELZY AIKIN brings us Craig White, local agriculturalist with geological experience, who will throw some further light on Proposition 4 (the oil conservation act) which will appear on the ballot November 6th.

ACT II..BUD CHRISTENSEN will introduce a speaker who is no stranger to any of us - Councilman "Doug" Badger - who will review some current City problems and discuss future planning.

LAST WEEK:...No one was more surprised than yours truly to see ELVIN (not AL) at the head table last Tues. with Joe Vercelli (not Jack Taylor) who spoke on "Wine Week" (not Investments). Everyone enjoyed Joe's discussion of recent industry developments and someone passed up a good opportunity to collect a fine for the miscue.

KEY CLUB:...To represent us at the weekly Key Club meeting on Thursday, Oct. 25th - "HICK" COLLEY. Where are the Key Clubbers who used to break bread with us on Tuesdays?

-----from the Special Board Meeting of Oct. 16th-----

Public Relations Committee Chairman IRA ROSENBERG reported on "Get Out The Vote" plans which include our providing transportation to the polls for any voters unable to get to their voting place without this assistance. Club members will be asked to assist from 3 to 5 PM on November 6. Chamber of Commerce Sect. Linn Cadd will receive telephone requests and act as dispatcher. In addition, the Board approved expenditures not to exceed \$25.00 to cover the cost of "Vote Reminder" leaflets to be distributed by a local milk distributor, grocers and Kiwanis Businessmen.

CARL SCHUBERT suggested the Club's participation in the cost of red safety jackets for traffic patrols at our schools since the school district has no funds for this purpose. Final decision will await the November Board meeting.

SEPTEMBER ATTENDANCE:...From its usual 95% or better figure our attendance percentage took a nosedive to 91.66% last month. This is unusually low for us. One nice thing about it, there's lots of room for improvement.

BOWLING NEWS:....KIWANIS #1 (rock and) rolling along at better than par average. New Sub, BOB ALLEN showing mid-season form with a 142 average for the 2 games he's bowled...BY GIBBS "fat" 495 series indicates he's "on the way" after 2 weeks of bowlingitis...WALDO gets "hot" then he's "cold" but watch him closely--he's going to be hard to beat...VAN loping 'em in for a steady 125 average, destined to do better...IRA - ahem! Nothing wrong that some extra practice wouldn't help! TOM-oh, yes! Bowling over his head for sure, but in time he'll go.

KIWANIS #2..The completely neophyte team insofar as bowling is concerned. Too early to tell as yet but consensus of opinion is that team #1 will be "looking up" to them before the season is over! Right now the big guns are RAY SKINNER and JACK WHEELER but close on their heels are E JACKSON, R HOLTZEN, P CADOSI, L SAYRE and L SILVEIRA. For scores of both teams on October 16, 1956 consult your local newspaper. ARNOLD'S publicity has been "all out" for the Kiwanis teams and is also a method of letting other service clubs know that Kiwanis is not an "old man's" club!

## THIS WEEK:

Major James R. Kneisler, US Army Corps of Engineers, who has served in post-war Hungary, will discuss his experiences with Hungarian Refugees. This program should be of unusual interest in light of current east-European Developments. CLINT ROBINSON brings us this top notch program.

## OH, NO - NOT AGAIN!!

Well, it's two weeks in a row for The Builder. We're batting .000 in the accuracy department as regards our programs. At least both speakers were Craigs last week. So our apologies to Craig White who did not appear and our thanks to Eric Craig (the geologist) who really had some new and interesting facts on Proposition 4.

## HALLOWEEN:

Tomorrow night over 100 boys from the Boy's Club will celebrate Halloween by ringing doorbells and asking for donations to UNICEF, an agency of the United Nations.

This agency, named United Nations Childrens Education Fund, accepts donations to improve the health of children in backward countries. All money received is used for medicine and food needed for these children. The United Nations provides all the administrative expenses.

JACK WHEELER will call for volunteers today to drive the boys to and from the collection areas. The job will take from 6:15 P.M. to about 8:30 P.M. Other service clubs are being called on to provide some of the 27 cars needed.

## MONTHLY REPORT:

DON JACKSON reminds all Chairmen of standing committees that monthly reports are due today.

## ATTENDANCE:

President TED is concerned over the low attendance record for September and hopes that members who have missed any meetings this month will make them up before the deadline on November 7th.
