## THIS WEEK'S PROGRAM - October 15, 1968

It will be a speaker for this week's program and David Sweeney, Santa Rosa, will fill the assignment. He will discuss welfare problems facing Sonoma County. He is the long-time director of that department and will soon retire from his position of director of welfare for the county. Lee Sayre will be the Kiwanian-of-the-Day.

## NEXT WEEK'S PROGRAM - October 22, 1968

Walt Marshall is arranging this program.

Along the K T-R-A-I-L: . . . The bowling teams are in there swinging each Wednesday night at 9 p.m. Fran, Larry, Virg, and Phil are serving as captains of the teams. . . . Watch for the date for the Charter night program which will be in November . . . . .

## FOOD FOR THOUGHT

Our youths love luxury. They have bad manners, contempt for authority; they show disrespect for their elders, and love to chatter in place of exercise. Children are now tyrants, not the servants of their households. They no longer rise when their elders enter the room. They contradict their parents, chatter before company, gobble up their food, and tyrannize their teachers.

Socrates, 400 B. C.

. . . . .

"Calamities are of two kinds; misfortune to ourselves, and good fortune to others."

## THIS WEEK'S PROGRAM -

Remember Vad Jelton, the seafarin' adventurer who spoke to us sometime ago? He took us with considerable excitement into the South Seas and will now return to treat us to the rest of the cruise. Bill Reynolds will be the Kiwanian-of-the-Day. . . . .

Along the K T-R-A-I-L: . . . . Still dangling over the heads of the local club is the challenge to bowl the Willits club - seems the W K's have been hoarding a trophy there for 3 years. . . . Those needing loans should see Virg B., who won money in the singles and all events at the last state tourney. . . . Circle the calendar for Nov. 12th for a dinner dance date sponsored by our club. . . . CONGRATULATIONS TO B.K. VAN CLEAVE appointed to the board of directors to succeed Rev. Hancock. . . . You can expect the usual of the unusual Tuesday, - our prexy went fishing over the week-end. . .

## INSPIRATIONAL THOUGHT FOR THE WEEK

If citizens can be taught to believe in rule by men, they can be taught to believe in rule by laws; if they can be taught to hate, they can be taught to love; if they can be taught to be warlike, they can be taught to be peaceful; if they can be taught that might is right, they can likewise be taught that justice is right; if they can be taught to live under a government of slavery and oppression, they can be also taught to prefer a government granting freedom and liberty. (Bennet O. Knudson, 1939-40, president)

We appreciate the fact that we have qualified members to step up and fill the position. Thanks, Ed, for service over and beyond the normal call of duty. Congratulations, Lloyd!

An election year spectacular has been put together for today's program. All the pros and cons of the measures submitted to vote of voters will be debated and argued by Francis Passalacqua and Tom Passalacqua, his son. Measures to be discussed range all the way from the homeowners' property tax exemption act to Proposition #9, the proposal for limitations on property tax rate. There are also two county measures on the ballot to be discussed. Louie Schwab will be the Kiwanian-of-the-Day for arranging the program.

SPECIAL REMINDER

The Public and Business Affairs Committee would like to remind all voters who will be out of town on election day, Nov. 5th that absentee ballots are available at County Clerk's office at the Administration Building in Santa Rosa. Be sure and vote on November 5th. . . "Bad officials are elected by the good people who stay home."

TIMES LIKE THESE

"Obedience to law, respect for others, mastery of self, joy in service -these constitute life." The question of law and freedom and self-control has become of such concern as to be a constantly compelling subject."Many today seem to be demanding for themselves the unlimited right to disobey the law", observed an eminent jurist. The shades and degrees of disobedience are of great concern, but the attitude of encouraging or condoning disrespect for law is of greater concern -for breaking of law "just a little" is something one can't turn on and off at will. From Richard L. Evans, president Rotary International.
