KIWANIS - HEALDSBURG

November 2, 1976

Program This Week

Bruno Rodella will be program Chairman on Tuesday and indicated at press time that whatever it was, it would be worthy of Kiwanis consumption.

Energy Conservation

P.G. & E.'s homemaking economist, Peggy Hopkins, presented a very timely program on how to conserve energy. Did you know that only half of the homes in Northern and Central California have insulation? Peggy said "Insulate and save." It was a good program. Freddie Haley was the affable program chairman.

Don't Forget to Vote

Tuesday, November 2nd is the day. Better vote in the morning as I have some inside information that President Ken is going to fine everyone that doesn't have a "voting tab".

Ups and Downs of Attendance

We could use a little individual help on better and more steady attendance. How about bringing a friend to lunch? How about coming yourself?

PROGRAM THIS WEEK:

Your editor was unable to contact program chairman Wood Frampton before he left town, rather hurriedly I might add. However, knowing brother Frampton as we do, we know he will have a first class program.

CHANGE IN TAX LAWS:

Program chairman Bruno Rodella presented a very informative program in the person of Richard C. Mears. The speaker represented the Richard C. Mears, Inc., Registered Investment Advisors. He enlightened the membership of the impending changes in tax laws to take place in January.

NEW RECORD ESTABLISHED:

Believe it or not every member present last Tuesday had a receipt to prove he had voted. Who says the membership doesn't read the bulletin?

NOVEMBER PROGRAM CHAIRMEN:

November 9 - Wood Frampton
November 16 - Waldo Everson
November 23 - John Short
November 30 - Gerry Miller

K-BOWLERS MAKE HAY:

Results just in from last spring's San Diego State Bowling Tournament shows that our boys brought home over \$325.10 in prize money. The real heroes of the tournament, however, were Walt Wright and Virg Bottarini who netted a neat \$187.50 for 39th place out of 20,000 bowlers.

DIPLOMAT:

A man who convinces his wife a woman looks stout in a fur coat.

PROGRAM THIS WEEK:

The program this week is a complete mystery. If you like mystery stories you are in for a treat.

PRACTICING MEDICINE:

Did you know that our own retired Dr. Nelson W. Alexander started his practice years ago with only two assets; a wife and \$2.56. He was our speaker on Tuesday last and recalled his experiences as a young physician starting out as the only doctor in a remote area of Missouri. He said his first patient was a fox terrier with a bullet in his neck. The good doctor recounted many other interesting events during his early practice years, such as quilling at child birth. An excellent program.

NOVEMBER PROGRAM CHAIRMEN:

November 23 - John Short
November 30 - Gerry Miller

AMERICAN FIELD SERVICE:

It's A.F.S. Time again! That means only one big X-mas card for the holiday season. Make checks out to A.F.S. and either mail or give to Bud Christenson at our luncheon.

WILLIAM DOOLEY:

Bill is being transferred to Arcada. We will miss him and we all wish him the very best.

NO RAISE TODAY:

Fred Haley replying to an employee asking for a raise: "Of course you're worth more than you're getting Mr. Matteoli. Why don't you let up a bit?"

PROGRAM THIS WEEK:

John Short will have as his program, David Benepee, new control officer of the Healdsburg Animal Shelter. He will talk about the changes and reorganization of the shelter.

ELMER "BUD" CHRISTENSON-A.F.S.:

You remember the "Maine", and I'm sure you remember the "Alamo"! (If you do, "dearie, your're much older than I") How about remembering Mr. Christenson, (spelled with a SON) and the American Field Service giant Xmas Card. Make checks payable to A.F.S. and pass along to Bud.

OVERSIGHT:

Congratulations to immediate past president Ed Burke for receiving the Distinguished President Award for an outstanding 1975-76 year. Ed received a pin and the club received a patch for our banner. Everyone should feel good about this; Ed did the leading and the members gave him the necessary support.

CHRISTMAS PARTY:

Our regular meeting on December 21, is to be our annual Xmas party. Kevin, of the House of Sonoma will be our chef for the day. Our gals will be on Xmas vacation at this time. Everyone will be expected to bring a gift, not to exceed \$1.50.

ROUND TABLE:

On Tuesday, December 28, there will be no regular meeting. (Cooks still on vacation) However, there will be a "Round Table".

A PAT ON THE BACK:

A pat on the back develops character, if administered young enough, often enough, and low enough.

HEALDSBURG KIWANIS CLUB

November 30, 1976

PROGRAM THIS WEEK

Program chairman Gerald F. Miller will have as his program, Clarence Fisher, P.G.&E. Marketing Representative. Mr. Fisher will speak on off shore drilling. Sounds interesting.

ANIMAL SHELTER NEEDS HELP:

David Benepe, new control officer of the Healdsburg Animal Shelter, spoke on the many problems the shelter is facing. Like everything else, funding seems to be the biggest headache. During the "question" period Mr. Passalacqua and Mr. Uboldi wanted to know what could be done about the excessive dog defecation taking place in their yards. Mr. Benepe suggested they each acquire large nets and join the shelter's volunteer group. It was an informative program.

LAST CALL:

The American Field Service drive for one big Xmas Card for the Healdsburg Tribune comes to an end on Tuesday, November 30. Make checks payable to A.F.S. and pass along to Art McCaffrey. Bud will be out of town ext week.

DECEMBER PROGRAM CHAIRMEN:

To be announced in next issue.

FRED HALEY TAKES OVER:

In the absence of prexy Ken Hampton, Vice-President Fred Haley assumed command and did his usual good job.

HOUSE OF SONOMA:

Kevin, of the House of Sonoma, will be our chef for our annual Xmas party. This all takes place at our regular meeting on December 21. Everyone will be expected to bring a gift not to exceed \$1.50.

LEST WE FORGET:

On Tuesday, December 28, there will be no regular meeting. However, there will be a "Round Table," same time, same place.

SOMETHING TO THINK ABOUT:

The trouble with letting your work speak for itself is that it never asks the boss for a raise.
