## REMEMBER VETERANS' DAY - NOVEMBER 11th

### THIS WEEK'S PROGRAM - November 12, 1968

Through the courtesy of Rev. Paul the speaker will be Dr. James Baird, pastor of the Park Boulevard Presbyterian Church, in Oakland. "By" Gibbs will be the Kiwanian of-the-Day for this outstanding program.

### NEXT WEEK'S PROGRAM - November 19, 1968

Since we are approaching the 1968 Thanksgiving Season, Merle Smith is arranging a program featuring a member of the clergy.

Along the K T-R-A-I-L: . . . Our many thanks to Roy Doolan, who was our man "behind the wheel" on election day for those who needed a ride to the polls. Despite the fact that this is the day of "two cars in every garage", Roy assisted a score of earnest citizens to get to their polling places. . . Board of Directors voted to incorporate ladies night with the installation in January, due to the problem of arranging a suitable night. "Operation Powder Puff" has been relegated to individual participation. Orders can be left with a member of the committee or with Van until the first of December, and the club will still get credit on the sales. . . We are indebted to Randy H. for the reminder that our youth are interested in the events that are taking place in our nation and that we are the ones who can do something about it as voters.

## THIS WEEK'S PROGRAM - November 19, 1968

Merle Smith will be the Kiwanian-of-the-Day and for the program he has invited the new pastor at St. John's Catholic church to be the speaker, Father O'Hare.

## NEXT WEEK'S PROGRAM - November 26, 1968

Walt Marshall is arranging this program. His previously arranged program of 3 months standing evaporated last week, so he is working on a new winner.

.....

Along the K T-R-A-I-L: After an injury suffered earlier in the week, Francis Passalacqua had surgery on an eye on Friday. We all join in wishing him a speedy recovery. . . . While we are in the process of re-arranging all the holidays, so that they provide for long or extended week-ends, why not invent a few new ones? What is wrong with having one half-way between the 4th of July and the Yuletide which we could combine the names and call it, "Julyule-tide" for the one in the Fall. For the one in the spring, between Christmas and the 4th of July, the combination on the name could be re-arranged and that holiday could be called, "Yulejuly-tide".

## THOUGHT FOR THE WEEK

A Lesson for All of Us: "It was a lovely autumn day, with leaves turning to a blazing red and gold. Little Colleen's grandmother had promised to take her for a walk along a nearby creek, but she kept working at her household chores, first one thing, then another. Finally the little girl took her grandmother's hand and said, "Come on! Let's go out and get some use out of the world."

.....

Classical music is the kind that we keep hopin' will turn into a tune. \*Kin Hubbard

## IT'S FARM and CITY WEEK

BRING A FRIEND TODAY!

THIS WEEK'S PROGRAM - November 26, 1968

For our annual observance of Farm-City week, the committee on Agriculture and Conservation under the chairmanship of Ted Kellogg. The speaker will be Dr. Harry Walker, assistant dean of the College of Agriculture and Environmental Sciences at the University of California at Davis, will be the guest speaker. Dr. Eddie Beeson, a member of the committee, will be the Kiwanian-of-the-Day.

NEXT WEEK'S PROGRAM - December 3, 1968

Genial Al Valette is arranging this program with the only announced part being, "Make like a bird?"

: : : : : :

Along the K T-R-A-I-L: It was interesting to note from our speaker's statistics last week from the boys' center where he labored for six years, that 80% of the boys there came from broken homes, and an even higher percentage, 85% came from homes where alcohol was involved. . . . Day to day, we are so involved with the symptoms that we never work on the underlying causes.

### THOUGHT FOR THE WEEK

As scarce as truth is, the supply has always been in excess of the demand. --

Josh Billings
