Last Weeks Program:

Bob Allen was acting as program chairman of the day last week and brought us a very interesting and enjoyable program. "Teddy Bear", a black belt Karate from Santa Rosa was the main speaker. He did bring along two other gentlemen to participate in the demonstrations, one of which Stan Klaus, is the current National Karate Champion. They put on a fine show and even after seeing it I find some of it hard to believe.

Thanks Bob for this outstanding program.

This Weeks Program:

This weeks program chairman is the man from the bank on the corner, Bill Dooley. He will have another excellent program for you in the person of San Francisco's own "Count", John Montefusco, pitcher for the San Francisco Giants.

Notice!!

We have had a good response to Bud Christensen's announcement regarding the AFS Christmas Card. He has however been able to get the cut-off date kept open until Tuesday, Dec. 1st, so that we who have forgotten or put off participating can do so. Bring your checks, cash or other valuables for AFS this Tuesday.

Dr. Alexander is hoping for a replacement as the "Kitty Bearer". As you know this privilege goes to the newest member of the club so I guess he's asking each of us to bring in a replacement for him. Let's give him a choice by bringing in several new men!!

Notice!!

There will be a board meeting tonight at Ken Hampton's home, 797 White Gates Ave. Heres another opportunity for a make-up for those who need one.

Somebody told the bulletin editor this week that one of our members, Jerry Miller, sank the longest putt of his golf life. Can you believe "76" feet. He claims to have witnesses but one of them is Waldo and these two might cook up anything. I knew Jerry told fish stories but this one????

It was nice to see the turn out from the Key Club last week, but we should have the Kiwanian sitting next to young men introduce him and tell us a little about him.

This Weeks Program:

Mario Brovelli promises us a very interesting program. Mr. Robert Dunn, Manager, Sonoma County Airport will bring us up-to-date on what's happening as well as what is going to happen at our fine county airport.

Last Weeks Program:

Bill Dooley did his usual best by having John D. Aquisto pitcher for the San Francisco Giants as his program. It sounds as though with 1 or 2 more good players the Giants could go all the way in 1976. New ownership is a certainty which will also help the Giants.

Don't Forget:

December 16th, Santa's Day at Kiwanis. Your president will tell you more about it at our next meeting. This is always a fun day, so make sure you are there.

We understand that Monsignor John O'Hare is now in Ireland and that he is there to attend installation of new President, I.R.A.

Happings at Board Meeting - December 2nd: A list of various projects were discussed at length! There were a total of 16 possible projects for the year, which were narrowed down to 7. The Committee on Project Funds is to report back at next Board Meeting, January 6th. If you have not already done so, attend one of the board meetings, you will get a better understanding of whats really going on in our Kiwanis Club.

Thought for the Week: "Look for the good and praise it."

On December 9th, our next meeting, there will be 16 shopping days till Christmas. Don't forget your wife!

Last Weeks Program:

"Big Bad Don" filled in for Mario Brovelli and the program presented by Robert Dunn, Manager, Sonoma County Airport was outstanding. It's still hard to believe that Bob Dunn was in World War I.

This Weeks Program:

This will be our annual Christmas Party which is always filled with fun and is guaranteed to get you in the real Christmas spirit. Don't forget to bring your gift, price limited to \$2.00. We understand that Ken Hampton, Jim "Stress" Silveira, and Bill Dooley will sing several Christmas carols.

Don't Forget:

There will be no meeting December 23rd, instead Round Table will be held. More about this December 16th.

Important:

We are now in the process of up-dating your Kiwanis Bulletin. At the next meeting, those not present at our December 9th meeting will be asked to indicate any changes to address, phone number, etc. A correction sheet will be circulated.

Key Club:

Our Key Club announced at our December 9th meeting that they have for sale flame proofed trees. For further information call Ernie Gondola, John Short, or Glen Davis. This would be a good way to help our Key Clubbers.

Thought for the Day:

How many of you read the back of the calendar that Captain Ed gave us at our last meeting? If you didn't please do! "With Heart to God and Hand to Man". A good thought for this Christmas season.

Will see you at our December 16th meeting. Don't forget your gift!

MERRY CHRISTMAS

Our annual Christmas Party was a real success. Santa Claus, whoever he might have been, made certain that we all received a gift. Little Eddie Matteoli seemed quite pleased with his gift from Santa. Gerry Miller reports great results with the use of his gift. For those of you who were not present, we all wish you a very Merry Christmas and a New Year filled with good times and most particularly good health. Thanks to Vern Branch and his wife, Elba for the beautiful job of decorating tables for our Christmas Party. We all appreciated their efforts.

NOTICE:

The Geyserville Kiwanis Club has moved its meeting place from the Rex Cafe to the Grange Hall. Turn east at Geyserville Ave., at old stop light, go east across Russian River to where road forks north and south. When you're at this point you're there! Do not proceed any further east at this point or you will drive into the Grange Hall. Same night, Thursday. Same time, 7:00 P.M.

DON'T FORGET:

Tuesday, December 23rd, and Tuesday December 30th, No Meeting, Round Table Only! We'll see you again on the 6th of January.

PROGRAM CHAIRMAN FOR JANUARY:

January 6th - Ed. Storey
January 13th - Bud Christensen
January 20th - Tom Conklin
January 27th - Waldo Iversen

THOUGHT FOR THE DAY:

"There is an Indian saying that one individual should never attempt to judge another until that person has walked at least a mile in the others mocassins. So it is that empathy is an important virtue in human relationships. Loving another requires understanding."
(From These Days)
