DECEMBER 7, 1976

PROGRAM THIS WEEK

Waldo Iversen in his inimitable style, has arranged a program titled "The Vital Partnership". Jim McGinnis of the Pacific Telephone and Telegraph Company will discuss international communications and the part played by the various telephone companies throughout the world.

THE ENERGY PICTURE

Our program last Tuesday featuring Clarence Fisher of the Pacific Gas and Electric Company was not only interesting but gave us a good up-date on the energy outlook. Even with his trifocals on the energy picture doesn't get into focus according to Mr. Fisher. Thanks to Gerry Miller for a good program.

Conspicuously absent for the occasion was our Vice President Fred, at this writing a P.G.&E. employee.

BIRTHDAY

President Ken took a step in the right direction when he cancelled the usual birthday donation for Lee Sayre, 86 years last Sunday.

REMEMBER

You older members may recall this day 35 years ago when Pearl Harbor took its licks. If you're that old you probably remember who was President of Kiwanis that year.

BOARD MEETING

For you interested in Kiwanis business and you needing a makeup to improve our attendance record, the next Board Meeting will be held Tuesday, December 7th, at Art Larson's, 610A Johnson Street.

FOR COMMITTEE CHAIRMEN

A monthly report turned over to Secretary Fran Branern before the 7th of each month is required if we are to maintain our standing in the Division. Let's do it.

TAXING THOUGHT

The first natural resource to be exhausted in this country may be the taxpayer.

## PROGRAM LAST WEEK

Waldo Iversen presented Ron Stevens, stand-in for Jim McGinnis, both communications experts for Pacific Telephone. Ron discussed vertical integration and indicated this was the reason we have such a hard time getting the operator's attention. He described the wonderful accomplishments in transmission and ended on a note we could all understand - it's gonna cost more! Thanks to Waldo for a good program.

## COMING UP TUESDAY

Capt. Ed Storey will have as our speaker Jim Nielson, County Alcoholism Administrator. Let's all turn out and benefit from the experiences he will relate. There's one of our members in particular who should be there. For those who didn't know, Capt. Ed is chairman of the Sonoma County Alcohol Commission.

## ANOTHER SUCCESSFUL YEAR

American Field Service has again completed their unique fund drive and at the same time afforded us all a means to express a Christmas wish to our friends in the community. Thanks to Bud Christensen for a job well done.

## FOR LACK OF SOMETHING BETTER

Four young bulls were standing in a pasture discussing what they wanted to be when they grew up. The first bull said he wanted to go to Rome and be a papal bull. The second said he wanted to go to New York and be a bull on Wall Street. The third said he wanted to go to Philadelphia and be a bull in a china shop. But the fourth said he just wanted to stay in the pasture for heifer and heifer and heifer.

## RECUPERATING MEMBER

Sorry that Louis Schwab has been laid low. We'll be anxious to see him back at the table soon.

LAST WEEKS PROGRAM:

Jim Nielson, County Alcoholism Administrator, presented an informative and interesting talk about the problems of the alcoholic and told us what is being done at the Orenda Center to help persons in this area that suffer from alcoholism. Especially interesting were comments on how we could cope with this if a friend is afflicted. Thanks to Capt. Ed Storey for a sobering talk that was also an excellent program.

NEXT WEEK: Ho Ho Ho!

Santa's coming for all the good ones. You can give him a hand by bringing a small gift (limit \$1.50) for Santa's sack. For the gormets in our club this will be a special day. The House of Sonoma is serving up a buffet of their choicest dishes. This will be our last get-together for 1976 and remember, it will be held at our regular meeting place at the Federated Church.

Then there was the case of the cow that went dry---udder failure.

PLANNING AHEAD:

There will be a round table for the meeting of December 28th giving our cooks a holiday break they much deserve.

Fat in a woman is like sugar in coffee - it always settles to the bottom.

MAKING REAL PROGRESS:

Our charter member, Lou Schwab, is improving and in the last day or two has been sitting up and feeling better. Doctor's orders are nevertheless, no visitors at this time.

"Look at it this way", said the doctor as he ushered the Kiwanian out of his office. "You're in fine shape for a man of 65. All you have to do is forget you are only 40"

## SANTA - COME AND GONE AGAIN

Santa's helper rolled up to the door last Tuesday in his little red sleigh and unloaded goodies to the deserving. Vern's friend Andy tickled the ivories to give us a few tunes apropos of the season. The House of Sonoma brought in their best cook, Fat Chow, who made the feasting boards creak with good things.

## ROUND TABLE

Next Tuesday, December 28th, there will be a round-table sign-up sheet in front of the usual meeting place. Be sure to sign between noon and 12:30 p.m. so that our attendance record holds up.

## OUR KEY CLUB

Three Key Club members, including the President and V.P., were with us last week for the Christmas festivities. We should reciprocate with an occasional turnout at their meetings.

## INFLATION

There will be reflected in your next quarterly billing for Kiwanis dues, lunches and other expenses, a \$3.25 increase. Also, the charge for guest meals will be raised to \$2.25 each.

## WE WERE HONORED

Lt. Gov. Jim Brandyberry made a visitation to the Healdsburg club last week and made a short talk that appealed to everyone. His attendance brought on a better decorum among the members. We look forward to his return.

Remember, overweight results not from what you eat and drink between Christmas and New Year's, but from what you eat and drink between New Year's and Christmas.
