Our accolades go to "By" Gibbs who brought us Ed Nielsen's program on the new phases of teaching mathematics on the elementary school level. Wilmer "Buzz" Nance delivered the techniques on how it is done. We hope Ed is feeling par plus this week and can join us again.

Bruno Rodella has gone "out of this world" to bring us the program this week. With the aid of Pacific Telephone and their personnel he will bring us Telestar.

At the last recount the net for the pancake breakfast was \$857.35 Great work by Ernie and his committee.

Our thanks to Bruno Rodella for the fine program last Tuesday and our gratitude to Frank Lamler and P. T. C. T. for "Telestar."

Stan McNulty has planned the program for today and will present Mr. Don Salisbury who will discuss narcotics. The speaker is a member of the Ukiah police force and lectures at S R J C.

Members will be happy to learn that the big K sign at the gateway to the city is being refurbished by Chuck Campbell and his very willing and able committee. -And that is not all that Chuck is cooking up -be sure and be there Tuesday when he takes over as auctioneer.

Our demeanor is showing! Our ground rules say that when the program chairman arises to assume control of the meeting, then, and there, is the time for courtesy.

If the work and enthusiasm shown at the committee meetings is any barometer Healdsburg Kiwanis will have another big year. Committee chairmen are reminded to get their budget requests turned in to Chuck Campbell.

Today's program will be under the direction of the committee for the Support of Churches—it will be a short one and will give way to the annual Christmas party. Bring a gift (not to exceed \$1 value) for a fellow Kiwanian. Remember the luncheon is at Luigi's at noon.

Fran Branern is working out address changes to be published on the new Builder. Please give Fran any change of address, phone number, wife, or previous conditions of servitude. Your business phone is preferred.
