LAST WEEK'S MEETING

18 January 1994

Guest Dave Slope from "The" Santa Rosa Club announced that the Kiwanis Clubs of Greater Santa Rosa are hosting a Super Bowl Sunday event. The game will be viewed on a 17 foot screen! Food, beverages and prizes are also part of this fund raiser. Price is \$50, with the money going to refurbish Howarth Park. Contact Dave for tickets.

Bob Young's guest, Otto Hoefler, was introduced by Erle Cook. Otto thought he was attending a SIRS meeting and Bob wasn't present...I was confused, were you?

Vince Dougherty (aka Vunce) informed the august assemblage that new and even more swank badges are in the works.

President Ted read a thank you letter for the club's work for the Senior Dinner.

President Ted announced that for the next several meetings, members are encouraged to bring canned goods which will be donated to the Shared Ministeries ("The Food Pantry"). I contacted them after the meeting and was told that the following items are the most needed: Canned fruit, canned beans, soup, cereal, small bars of soap, pasta, powdered milk, flour and baby food. This is a worthy cause and ALL HANDS (thats Navy\Marine lingo for everybody) are requested to bring something next week.

Hunt Conrad reported that he is the father of a new baby boy. In keeping with club tradition, the members all contributed to start a savings plan for the newest Conrad. Hunt, in turn, is to match our gift and provide a "financial report".

Joe Coppa had a sad dollar in memory of the passing of Thomas P. "Tip" O'Neil, the former Speaker of the House of Representatives.

Win Engvall and Tad Curtis received a "regular" rendition of Happy Birthday, which is always "special", particularly when musical flourishes at the keyboard are furnished by Rev. Ray Baskin.

Chuck Reichel introduced Chris Chouteau, the Student of the Month. In addition to being a 4.0 student, playing varsity soccer and tennis, studying classical guitar, and skiing and fly fishing in his spare time, Chris has traveled to Mexico, Spain, England and France. He plans to major in English in college.

Mike Tolmasoff of the Air Quality Control District was the guest speaker. His topic was the negative impact that old fashioned fireplaces and wood burning stoves have on our environment. He discussed alternate types of stoves and also provided information on the voluntary "no-burn" days program.

LAST WEEK'S PROGRAM

25 January 1994

Guests from Oakmont Club, doing an interclub, were President Del Beaupre, Dick Ruh, Doug Smith, Bob Willwerth, Don McNay and Hal Ling. Thanks for coming, fellows.

President Dick and Charlie Meeks, of the Geyserville Club, were present and touted their Pancake Breakfast. It will be held on Super Bowl Sunday from 7 a.m. until noon. Location is the Geyserville Fire Department.

This week's fines: Rich Lehrmann for "stealing" a dinner roll; Chuck Reichel for being late and Bob Young for not being present last week when his guest was present.

Announcements: Al Rochester announced that there will be an interclub with the Windsor club this week. Rick Alves passed around a sign up sheet for members that would be interested in having a Valentine luncheon. Hunt Conrad was so pleased with the club's monetary gift for his newborn son, that he doubled the amount and invested with some fellow named Ted Etheredge.

Happy and Sad Dollars: One member gave \$5 because he was celebrating his 49th wedding anniversary (I will have a sad dollar next week, because I didn't get his name). Art McCaffery was happy to be celebrating his 53rd wedding anniversary. Rich Iverson was happy about the spiffy fence that Ken Turnbow had installed around the flower(?) bed on either side of the entrance to our meeting place. Mike Mojica was sad for the current plight of Los Angeles and happy about the 49ers.

The Guest Speaker(s) were Bob Curtis and Bram Glaser of the Healdsburg Boy Scouts. We were treated to a slide show that traced the past, present and the hoped for future of the Troop. Interesting facts about Troop 21 included: 1. The Troop has had 50 Eagle Scouts (the first and last were shown displaying the Troop's charter). The charter was dated 31 September 1930. 2. Quite a few of our local luminaries are numbered among past members of the Troop. Kiwanis, and many of its individual members, have provided considerable support to the Troop over many years. The Troop is now in the process of raising money to remodel and add on to the Scout Hut which is in real need of repair and enlargement. Our support is solicited.

Faux Pas of the Week: Last week, President Ted announced that we should bring canned goods to the 18 Jan and 25 Jan meetings. These canned goods were to be donated to the Food Pantry (they give food to those that are in need here in Healdsburg). I personally led the way in completely forgetting to bring a contribution. A few members did remember, but not I ... and I had written the reminder in the last bulletin! To preclude faux pas #2, I have already put my contribution in the trunk of my car so that I will not confirm that a man as young as I can suffer from senility. Let's bring those cans of fruit and vegetables and prove that we still have our wits about us.
