

HEALDSBURG KIWANIS CLUB

Tuesday - February 3, 1976

Last Weeks Program:

Waldo Iversen presented Monsignor John O'Hare. Those of you not there, missed one of the truly fine programs which have been presented in a long time. Al Rizzo's additional comments in Ireland were also extremely interesting.

This Weeks Program:

Frank Balbi will present as his program - "Give a Hoot". This will be a group of 4-H girls and you can rest assured it will be interesting.

Get Well:

We all wish Lee Sayre a speedy and quick recovery. See you back soon.

Don't Forget:

Board Meeting - February 3rd - John Uboldi's home, 817 Josephine Lane, Healdsburg - 7:30 Sharp! Mary's a great cook.

Joke of the Week:

A man butted in ahead of ten other people at an airline ticket window at San Francisco Airport. "I want a ticket to Los Angeles", said the line-crasher, putting a \$10 bill on the counter. "You can't go to Los Angeles for \$10", said the airline agent.

"Then where can I go for \$10?", asked the man. And each of the ten people waiting in line told him.
