Jack Mounts gave us the dirt on the latest conservation practices thru his program with Duane Campbell, District Conservationist and LaVern Wagner. Really got down to earth with slides showing erosion; then results after using conservation tech's. How about giant earthworms?

ROUND TABLE GUESTS: Key Clubber's new president, Pedro Andrade, Jr., & Doug Sauder; Gidge Cerri by Waldo; Ed Matteoli by Bud C.; Ken Hampton, new incoming member; Fred Vellutini, Kiwanis Santa Cruz w/30 years perfect attendance; Finnley Frischer of Roosmoor, Walnut Ck Kiwanis Club.

Cherry Blossoms for Hank Spomers 39th Birthday; Begorra!... its Leprechanish's to Frank Wilson this month.

Bruno (KENO) Rodella's lucky number is now 8 for the bus trip March 25-26. He needs the money for Reno, the bus that is! So check in with the cash. It's now a signup with 1st come, 1st served. His past lucky numbers for filling the bus were 37-33-25-10-8-5-2-1, try this on Keno. Don't say we didn't give you a tip! to Reno.

Today's program comes in on a wing & a prayer. He prays he has a program with a vision...but won't tell'e'vision! But knowing Rev. Billy Hayes, he'll have a speaker no doubt we'll praise.

Your Prexy, Elmer Sandborn, says: "What is An American"? He yens for a speed law that will stop fast driving, then won't buy a car if it can't make 200 miles an hour. He will work hard on a farm so he can move into town where he can make more money to move back to the farm. He is the only fellow in the world who will pay 50 cents to park his car while he eats a 25 cent sandwich.

He'll spend half a day looking for vitamin pills to make him live longer, then drive 90 miles an hour on slick pavement to make up for the time he lost

Bud Christensen will now take over for his stint in print.

Biggest and best news of last week was of the induction of Kenneth W. Hampton as our newest member. Ken is associated with Kiwanian Ed Burke and currently lives in Cotati with his wife, "Tammy", and their three children. Ken is a bowler, a drummer, and would even sing in a group. We're happy to have him with us, Welcome, Ken!

Bill Hayes presented as program speaker, last Tuesday, Floyd Rittenhouse, president of Pacific Union College at Angwin, who gave his viewpoints on the current U. S. scene. He named as our greatest dangers, inflation, communism, an unfavorable trade balance, improper direction of trade unions, our moral slump, government paternalism and increasing centralization of power. We must, he said, become informed; vote on the basis of that information and seek out competent leaders for our government.

Bruno says there is still room for a few more on the Reno trip of March 25 and 26, but---pay up!

Principal reportable business in last Tuesday's Board of Directors meeting included setting August 3, 4, and 5 as the tentative dates for the fall Rummage Sale. Now we can get to the business of collecting items which to us may be useless but which may seem to be prizes to others.

Jim Silveira promises a good program for Tuesday, the 14th, with a mystery guest; maybe a real, live, woman's liberation advocate. (Probably with the title of MS).

We didn't get the women's lib speaker Jim Silveria promised us last week, but no one was disappointed as Keith Sauers, Chairman of the Healdsburg Planning commission substituted most ably. Keith explained clearly and interestingly the work of the local planning body. Probably his most important statement was a criticism of the lack of attention paid local governing bodies, and his appeal for active community interest. Ed Burke was chairman of the day.

SOME IMPORTANT DATES FOR KIWANIS:

March 25-26 - The Reno Trip. Bruno had 3 vacancies as of last Tuesday.

APRIL 8 - The Governor's Dinner at Oakmont. We look for a good support for Gerry on his big night as Lt. Governor. Make your plans with your better half and buy your tickets today. They are \$4.50 each.

APRIL 24 - The Annual Kiwanis Pancake Breakfast. Each Kiwanian is responsible for at least ten tickets. Lloyd Decker will have them for distribution today.

AUGUST 3, 4, 5 - The Rummage Sale. This won't be the typical rummage sale, we collect flea market items. What is your junk may be someone else's antiques.

TODAY, MARCH 21 - Bring in the names of at least two potential new members.

Lee Sayre is program chairman today. His speaker will be Gordon Miller, Chief of the Sonoma County Water Agency. He should be able to clear the air for us on the water bond issue. Rumor has it that the opponents of the bonds, as authorized, make strange bedfellows.

REMEMINDER: One of the pledges we made in accepting Kiwanis Membership was to be regular in attendance.

Last Tuesday, Lee Sayre presented Guerdon Miller, Chief of the Sonoma County Water Agency to speak on the upcoming vote on the Water Bond Initiative. His talk, again, showed us the need we have to become informed before voting. The issue seems beclouded, not only by the wording on the ballot, but by the use of emotionalism rather than fact in the campaign. According to Mr. Miller, the real question is whether or not we want to stop growth by refusing water to people.

IMPORTANT DATES:

TODAY: Bring in the names of two people who are good potential Kiwanis members.

SATURDAY, APRIL 8: Governor Harris will be at Oakmont for the annual Governor's Dinner. Gerry Miller will have tickets today at \$4.50 each. We always have had a good showing at these events, and should especially do so this year, as evidence of support to Gerry in his year as Lt. Governor.

SATURDAY, APRIL 22: The Annual Kiwanis Pancake Day at St. John's. Lloyd will have tickets today. Remember we each have the responsibility of selling at least ten tickets.

WEDNESDAY, MAY 3: Our annual Kiwanis Day with Legislators. Hank Spomer is organizing this trip.

AUGUST 3, 4, 5: The Rummage Sale. Start Rummaging for Rummage.

Gary Rosenberg is program chairman today. He has arranged to bring George Kovatch, Sonoma County Planning Director, to talk with us on philosophies and theories of planning.

REMINDER 1: We should leave meetings early only when there is a real necessity, not for our personal convenience, and then only after prior explanation to the program chairman.
