THIS WEEK'S PROGRAM -

Merle Smith will be the Kiwanian -of -the-Day and will be host to the choral groups from the Rio Linda Academy. They always give us a polished performance.

NEXT WEEK'S PROGRAM -

Fran Branern will be the shepherd for this program and is out rounding up a choice one for a near-St. Patrick's Day observance.

Along the K T R A I L: . We're doubly honored to have Eddie Beeson, an active member of our club and born and reared in Healdsburg, elected to the track and field Hall of Fame. Never one to rest on his present laurels, we quote: "You're only champion for a day." Congratulations! Congratulations to Tom Borowicz and Mark Doolittle, who have been named finalists in the National Merit Scholarship Program and who were our luncheon guests Tuesday. Gavel were very much in evidence Tuesday - -- the problem was getting them into the proper hands. To gavel or not to gavel -what's the fee!

Inspirational Thought for the Week

Our present Objects of Kiwanis evolved from a simple creed enunciating high standards of honesty and integrity in business life, a recognition of the civil responsibility of business and professional men to their communities and to their country and ending with that statement of neighborly and brotherly principles set forth in the Golden Rule, to realize that I live not for myself but for others. (George F. Hixon, president 1916-1918)

THIS WEEK'S PROGRAM -

The program will up-date information on the Dry Creek and will be presented by Supervisor Art Ruonavaara. Fran Branern will be the Kiwanian -of-the-Day for this important program.

NEXT WEEK'S PROGRAM -

Bob Allen will be in charge of the March 22nd program and is expected to officially usher in spring. - anything except more rain.

Along the K T R A I L: Bruno was tuning up his Easter chorus on the tulip song Tuesday... tuning until Easter will help... Put Portland on your calendar for July 1-5. Jerry M, Tom B and Ken are authorized delegates but they can always stand a good corp of re-inforcements... Attendance was at a low of 91% last month - we need to perk it up. Our Key Club has elected new officers. The officers are: Pres. Tom Rodella, Vice Pres. Allen Petitt and Sec. Dave Nelson. Congratulations.

Inspirational Thought for the Week

Most of us are frantically trying to invent a machine which will solve our problems, when all the while we have within us the proper machinery if we will only set it going. That machine is the human soul. The success of individuals, of communities, and of nations depends on the extent to which the spiritual forces, latent in all of us, are wholesomely developed.
(Perry S. Patterson, president 1918-1919)

INSPIRITUAL THOUGHT FOR THE WEEK

Each one of us has a definite contribution to make towards the sum total of a world's happiness and prosperity. Great and wonderful results follow when common, prosaic men shake off the paralysis of faint hearts and believe in the reality of their power and the grandeur of their opportunities.

(Henry J. Elliott, President, 1919-20)

THIS WEEK'S PROGRAM -

This week's program will feature a panel of "Youth of the Month" selectees from last year who will discuss their views on Brotherhood. Rev. Chuck will be the Kiwanian-of-the-Day and will also act as moderator for these outstanding young citizens.

NEXT WEEK'S PROGRAM -

Pres. Ken will be the recipient of the program time and will give us some timely information from the conventions and conferences he had had an opportunity to attend.

Along the K TRAIL: Here are a couple of dates to mark on your calendar: April 23rd at Silva's Inn, this is a Saturday ladies night with the Clearlake Club; June 17th official visit of our Gov. Bob at the Los Robles, SR. We enjoyed having Santa Rosa for an in-club Tuesday . . . It is rumored that Pres. Ken is writing a book -"To Gavel or Not to Gavel," or "Al, Where is the Bell & Gavel." Beware April Fool's Day coming up. . . Congratulations to Dale and the new six pound bundle of joy at his house.

INSPIRATIONAL THOUGHT FOR THE WEEK

Friendship is a splendid thing, an enjoyable thing, but as a Kiwanis objective, it is not worth the effort of the club if it is to end there. This would be like building a fine engine, using tons and tons of coal to fire it, and then allowing the manufactured steam to escape without putting the engine to any useful work. (J. Mercer Barnett, President 1920-21)
