**THIS WEEK'S PROGRAM \* April 15, 1969**

Ken Gonsalves will be the Kiwanian-of-the-Day and his program speaker will be Dr. C. H. Timpany. The speaker is a consultant of note and is the retired superintendent of Santa Clara County Schools, past president of Northern California Industry-Education Council, of which he is one of the founders. The NCI-EC is a non-profit organization and with its counterpart, the Southern California Industry-Education Council, were formed to bridge the gap between industry and education. The purpose of these councils is to have leaders of industry and education work together for the motivation of our youth into productive fields. Dr. Timpany will offer some background on the council and in particular how Kiwanis Clubs have utilized a cooperative program as club projects. . . . We suggest members bring a guest who might have a particular interest in this field. . . . Bring a potential member guest!!!!

ALONG THE K T-R-A-I-L: It's gung-ho for the pancake breakfast slated for Saturday, May 10th -get those tickets into the hands of the hungry. The teams are selected and the selling war is on! . . . Remember the AFS dinner on April 26 -See Bud or GR for tickets. . . . This is the most talked about day of the year --TAX DAY. If Patric Henry thought taxation without representation was bad, he should see it with representation. . . . Then there is the story of the little old lady who stepped up to the window at the Internal Revenue Service. "I do hope you'll give my money to some nice country."

**THIS WEEK'S PROGRAM - April 22, 1969**

Dr. C. R. Timpany will be the program speaker. He is a consultant of note and is the retired superintendent of Santa Clara County Schools. He has served as president of the Northern California Industry-Education Council, of which he is one of the founders. The purpose of the organization is to have leaders of industry and education work together for the motivation of our youth into productive fields. Dr. Timpany will offer some background material on the council and in particular how Kiwanis Clubs have utilized a cooperative program as club projects.

**Next Week's PROGRAM - April 29, 1969**

The program preparation is under the guidance of Sid Grove and he promises a good one.

ALONG THE K-T-R-A-I-L . . . We suggest that all members bring a guest today for a very fine program. BRING A POTENTIAL MEMBER! . . . Whether you are a member of Mitchell's Outlaws or Jim Silveira's Mustangs, the contest is on for the pancake ticket sales championship. The goal is 1000 tickets sold - get your share. . . . . May 13th will be ladies day with Walt Wright as chairman. . . . . Walt is also heading up a special committee to report on new projects the club might devote its energies to, and perhaps come through with some new directions for the club . . . Information from National is that a manual is being prepared giving Kiwanis some direction on campus disorders.

SOMETHING TO PONDER

Good judgement comes from experience, and experience -well, that comes from poor judgement.

## THIS WEEK'S PROGRAM - April 29, 1969

Presenting the program today will be "Dutch" Fluhr, chief of police, for the city of Santa Rosa. In this day when it appears we are getting closer and closer to putting law enforcements in a straight jacket, it will be interesting to hear from a man whose Number One responsibility is poling a metropolitan area. Sid Grove will be the Kiwanian-of-the-Day.

## NEXT WEEK'S PROGRAM - May 6, 1969

The May 6th meeting has been marked for a visit from Lt. Gov. Walt Woodard of Ukiah. Jim Clarke will be the program chairman. Other programs include Walt Wright, May 13th; Tom Conklin, May 20th; and Waldo Iversen on May 27th.

Along the K T-R-A-I-L: . . . Be sure you have invited your wife to accompany you to lunch on May 13, which will be an official "Ladies Day." Walt Wright is promising a spicy program and it will be a great day to have the ladies come and join us for the day. . . Is it true that Vad J. finally got away on his South of the Border trip? Now is the time for the big push on those Pancake Breakfast tickets. . . .

## THOUGHTS FOR THE WEEK

Some people are easily entertained. All you have to do is sit down and listen to them.

He who is self-centered travels in very small circles. - Collins.
