KIWANIS BULLETIN

MAY 1979

Vern Branch, Program Chairman of the Day, introduced our own Earl Osborn who gave a most interesting talk on baseball, a profile on Earl Osborn. Earl related impressions of the SF Giant Spring Training from his recent visit to Casa Grande Arizona and saw them hard at it. Earl admits being a sports-nut, confirmed publicly by wife Jo. His lifetime interest and active participation in sports was overwhelming. It took a ton of energy and that's for sure! His 1979 ratings are a matter of record.

Fines: Art McCaffrey "misplaced" his badge. It showed up mysteriously at the Head Table.

Guest: Richard Pelligrini of Chuck Reichel.

Someone did a first class job on the new Bulletin format-congratulations to whoever. All hands should review and corrections reported to Fran or Bruno-final printing is not far off.

Tom Roscoe's Night in Windsor was an outstanding success. Another plus for you, Tom!

THE BUILDER

KIWANIS-May 15, 1979

True to Kiwanis tradition no one gets the word. So last weeks program honoring the fairer sex and observing Mothers' Day was chaired by Ken Gonsalves and featured some outstanding instrumental and vocal talent from Rio Lindo Academy and some sage advice on marital relations from our own Reverend Bill. The program ran a bit long (1:50) but was so worthwhile that not a soul left until the conclusion. The announced Program, Terry Stringfellow and the cake decorating lady, will be presented at a later date.

The unseasonal rain last Sunday failed to dampen the spirit of the golfers and friends at the big tournament and chicken-Q. Seemed as though everyone won some kind of a prize. Bill, Glen, Waldo, Fran, Bruno, Jim, Walt, Ken, Ken, Dick, Frank, etc. etc deserve a big hand for their efforts in putting on this outstanding event-A good time was had by all.

V.P. Bob reported that the bottom line on last months pancake breakfast was \$2500.00. Congratulations to all.

On Thursday 5/10 Pres. Bruno and interclub chairman Walt led a group to Santa Rosa for an interclub and to greet our Calnevha Governor. It was a quickie deal but as usual Healdsburg was well represented.

While on the subject of interclubs-Sonoma will be here this week let's show them a good time. Our visit to Sonoma is always one of the best of the year.

Coming Events-

5/19-Kiwanis Chicken-Q at the wine fest. Pres. Bruno has bought a 1/4 of a ton of chicken legs and will call on members to help with the event. Answer the Call. Surprise!!! No tickets to sell.

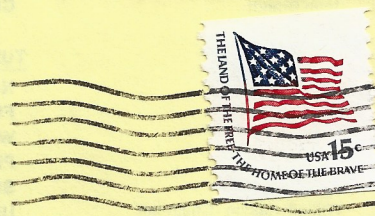

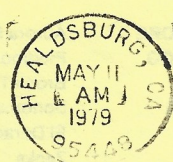

5/24-Kiwanis Mounted (Bicycle) Drill Team in the Big Future Farmers Fair Parade. Details to be announced. Save the date and plan to participate. It is tons of fun.

5/24-26-Kiwanis Gold Fish Booth at FFF. Work schedule will be published soon. Be sure to fulfill your assignment.

This weeks program will be chaired by Waldo, who has arranged for an update on the Warm Springs Dam.

On the 23rd Ken will have a group of FFA members put on the program, and on the 30th Woody will introduce a speaker who will talk on home hospice.

Kiwanis Bulletin

May 22, 1979

Last week Program Chairman Waldo Iversen introduced Jim Anders who is with the Corp of Engineers and heads the team in charge of planning the recreation facilities at Warm Springs Dam. From what Jim told us the area once completed will provide for campers, picnics, hikers, horseback riders, bird watchers, dirt bike riders, four-wheelers, nature lovers, swimmers, fisherman, sailers, rowers, canoeists, motor boaters, water skiers, etc. etc. Milt Brandt "Mr. Warm Springs Dam" was also a guest. It's always good to see Milt.

Guests included Scott and Todd from the Key Club and four members of the Sonoma Kiwanis Club who came over for one of their rare Inter-clubs. We were honored to have them.

Members who have not paid for their Golf Raffle Tickets please send \$10 or more to Bud Christiansen.

Fran officiated at the induction of new member Lindsay Wurlitzer. Lindsay heads the Local PCC Office. He and wife Paula have been in Healdsburg six months and like what they see. Lindsays sponsor is Ken.

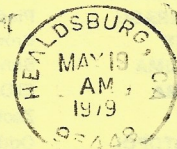

This weeks program will be oriented toward our Fair next week-end. Ken has invited Fair Board President Dave McCrystle DVM to be our speaker. The club is deeply involved in the fair so this program is timely. Our activities will begin with the relay race for Windsor, Geyserville and Healdsburg Jr. Hi Runners. The race starts at 5:15 P.M. Thursday May 24 at the Elementary School and ends with Hot Dogs in the Plaza. Chairman Tom has the event well planned and asks for volunteers to help with the awards etc. in the Plaza about 5:30. If you are not riding a decorated bike in the Parade plan to be there to help Tom. Members of the Mounted Drill team will meet at Walts prior to the Parade for instructions, practice and refreshments. The team is reported to have perfected some intricate new maneuvers and should bring home another trophy.

The work schedule for the Fish Booth was distributed. If you can't fulfill your assignment get a replacement. This is a big money maker for the club and tons of fun for those who participate. The only ones who really don't enjoy the whole affair are the fish.

A report will be made on the Chicken-Q at the Wine Fest. Word has it that a good time was had by all except the Chickens.

On the 29th Woody will host a program explaining Home Hospise.

The future program on Cake Decorating will feature Terry Stringfellow himself and not some Lady interloper as previously announced.

KIWANIS BULLETIN

May 29, 1979.

Last week chairman Ken introduced Dr. Dave McCrystle, President of the Healdsburg Future Farmers Country Fair. Dave gave a very enlightening talk on the activities, goals and accomplishments of this very worthwhile event. It is one of the highlights of the year in Healdsburg. Dave and his hard working board are to be congratulated on their continued success in providing such an outstanding activity for the youth of the area.

President Bruno reported on the success of the Chicken-Q at the Wine Fest. Over 600 chicken legs were served with a net profit of \$302.00. A much higher profit will be realized next year when we are able to prepare in advance for the crowd. The hard working committee was not able to keep up with the demand.

Club activities in connection with the fair last weekend went well. This is a community event that the club really gets behind. The Junior High relay race thursday evening was well received. Thanks to Tom and his helpers for their efforts. The highlight of the twilight parade on Thursday was again Walt and his Bike Drill Team. The whole community lives from year to year to see this outstanding group go through their precise routines. Again the goldfish booth was a financial success and lots of fun for those members who maned the booth. Our citizenship award presented annually to the outstanding exhibitor at the fair is one of the most sought after awards. Kiwanis is really involved with youth and the fair.

Our singing at last weeks meeting featured "Waltzing Matilda" but our vocalists did much better with "Home on the Range"

This week Woody Frampton will bring us a program on Home Hospice.

On June 2, Paul Dix has arranged what he says will be an outstanding program featuring an outstanding county official.
