**67<sup>th</sup> Annual Healdsburg Kiwanis Pancake Day**

**The event was dedicated to the memory of Roger Dormire  
Dormire family members wife Debbie,  
grandson Tanner, and son-in-law Zack**

After a two year hiatus because of the COVID19 pandemic, the 67<sup>th</sup> annual Healdsburg Kiwanis Pancake Breakfast was held on Palm Sunday, April 10 at the Villa Chanticleer. Over 400 hungry people enjoyed all-you-can-eat pancakes (plain or blueberry) with real maple syrup, sausage, scrambled eggs, fruit, juice and coffee.

This year's event was chaired by Susan Sheehy and Jan Gianni, who were assisted by other committee members and a hard-working crew of many mixers, cooks and servers working in two shifts. Also, pitching in were members of HHS Key Club, Alexander Valley 4H, and Scout Troop 21.

Major donations of supplies were furnished by Starbucks (coffee), the Bear Republic (eggs, sausage, pancake mix, orange juice), Anna Grant (pineapple) and Clover Sonoma (dairy products, milk, half & half).

A raffle was arranged by Darlene Prigmore and 6 gift baskets were prepared and donated by Darlene, Patti Robarts and Lucy Lewand. Raffle tickets were sold at the door and the proceeds of \$930 supplementing the event income. We also collected \$114 for Ukraine Relief. The pancake breakfast remains a major fund raiser. Total net proceeds from the event are estimated to be about \$4,500. Overall, despite some rough edges it was a very successful and fun event. We're back and our 100th will be even better.

## **The President's Message**

This past Wednesday, Healdsburg High School hosted their annual HHS Scholarship Night at the Raven Theatre. It was an impressive and truly heartwarming event to attend. Scholarships were awarded to 71 students and there were a lot of happy faces on the students and many proud faces on parents, family and friends. These kids have had their share of adversity during the pandemic, and they were most deserving. The Healdsburg Kiwanis Club awarded \$1,000 scholarships to twenty-eight students, almost twice the number of past years. Pretty impressive. Dick Bugarske presented 16 scholarships to four-year college applicants which he and Loretta Strong selected from many worthy applicants. For the first time, Liz Bippart and Barbara Erickson awarded twelve scholarships through the newly created and permanent Vocational Scholarship Fund which honors students who are pursuing vocational degrees. Our dedication and generosity as a club really shone during the evening and it was a reminder of why we are all in this together.

Haley Bly, Director of Development for The Boys & Girls Club and a recent speaker at one of our lunch meetings, requested volunteers to help set up for their major fundraiser 'Healdsburg En Blanc' at the Villa, April 23<sup>rd</sup>. Nine of our members arrived to answer the call and it was much appreciated. Our club has a storied history with The Boys & Girls Club, and I hope we can continue that.

Next up: The FFA Parade and Fair (May 25-28). Denny Stead has already had a couple of crews in to rehabilitate our trailer. Ten members went to work this past Wednesday to scrub, paint and apply new decals etc. Afterwards, we all met at Patti's Bistro on Matheson at the Senior's Center for some fine dining. Dan Gianni and Jim Lucchesi are on board next to join Denny at the trailer for some much-needed carpentry. Gary Plass has agreed to once again haul the trailer to Rec Park, just remind him.

Harry says I'm using too much space, so I have to run. Just remember: The much-anticipated Fitch Mtn. Footrace is on the horizon, June 19<sup>th</sup>!

### Healdsburg Kiwanis Foundation

#### Grants/Donations/Requests

- The Kiwanis House - \$200 as requested.
- Healdsburg Museum - \$350 for purchase of a Healdsburg Kiwanis brick for museum the front walkway. Approved by a quorum of Board members at the March 29, 2022 museum visit.
- Emma Tremont, former Key Club President and Healdsburg Kiwanis scholarship recipient - \$1,200 for round trip airfare in the summer of 2022 to allow Emma to attend a summer abroad internship program in Paris, France.
- Lieutenant Governor stipend - \$696.
- Healdsburg Jr. High School 8<sup>th</sup> grade graduating class - \$250 to fund the end of the year pancake breakfast. The event will be held this year on June 9<sup>th</sup> for about 100 students.

#### **President's Update:**

- Rowdy Yates stated that it is good to be back at sponsoring events again.
- The next event, the FFA fair, will require everyone's help. We are cleaning the exterior of the trailer next week and the interior of the trailer in 2 weeks.
- The Fitch Mountain Footrace will be Ron's last year and we need a committee to take over this event.

- We need to tighten our records to allow future event coordinators to be able to have records to rely on to run future events effectively.

- Pancake Breakfast Foundation/Project Fund (April 2, 2023).

## Meetings

**Apr 5: Lt Gov Anna Grant and Patti Roberts –**  
Bistro at Matheson (BAM)

Anna and Patti announced their partnership and a pilot program for the return of the lunches at the Healdsburg Senior Center following the long COVID19 hiatus. Thanks to a grant from Healdsburg Forever, lunches will be served to seniors Monday and Wednesday and brunch will be served on Friday. Patti and Friends will provide an “elevated dining experience” to the seniors who have missed the nourishment and comradery of the get-togethers.

Lunch will be served 11:00 to 12:30 for a suggested \$5 charge, no one turned away. The menu will change every two weeks.

**Apr 12: Leslie Simmons, Career Technical Education Foundation**

The mission of the Career Technical Education Foundation is “innovating the education-to-career experience to strengthen economic development and student success”. This is accomplished by expanding and enhancing career technical education programs throughout the county to align with the economic and workforce development needs of local employers and industries. Our work is guided by a vision that all Sonoma County students have rewarding careers that strengthen their lives, our community and the economy.”

Career Technical Education, (CTE), is a multi-year sequence of courses that integrates core academic knowledge with technical and occupational knowledge to provide students with a pathway to post-secondary education and careers. CTE programs deliver an enriched educational experience that promotes student interest and academic success while developing technical and

career readiness skills necessary for the workplace of the future. Graduates of today’s rigorous and relevant CTE programs are better prepared for high-wage, high-skill and high demand careers.

**Apr 19: Shelley Anderson, HHS McCord Center**

Shelley is the Scholarship coordinator, Intern coordinator, Student of the Month Coordinator, and probably many other job titles.

In an excellent PowerPoint presentation, Shelley described the McCord Center Work Based Learning Continuum at HHS.

Starting in the freshman year, the program focuses on career awareness and learning about work.

- Identify career pathways that match interests, strengths, and values.
- Set short-term and long-term education and career goals.
- Understand the components of successful applications and resumes in preparation for college and career.
- Describe workplace etiquette, responsibilities and ethical behavior.
- Use technology to create projects and presentations.

The sophomore year is devoted to career exploration: continue learning about work.

- Explore career options and post-secondary for the purpose of motivating students and to inform their decision making in high school and postsecondary education.
- Student Learning Outcomes: Student can give at least two examples of how the student’s individual skills and interests relate to the career field and/or occupations.

The Junior year is devoted to Career Preparation: Learning through Work.

- Apply learning through practical experience that develops knowledge and skills necessary for success in career and postsecondary education.
- Student Learning Outcomes: Student builds effective collaborative working relationships with mentor' learns about "real work world" and how it connects with school and personal world.
  - Direct interaction with business mentors outside of school. (See Academic Internship Program below.)
  - Application of skills transferable to variety of careers.

The Senior year: Career Training: Learning FOR Work.

- Train for employment and/or post-secondary education in a specific range of occupations.
- Civic action project
- Assemble digital and hardcopy portfolio (resume, transcript, letters of recommendation 10-year plan, cover letter sample, thankyou letter sample, business plan idea, civic action plan idea).

#### The Academic Internship Program:

Every HHS Junior will be participating in a meaningful internship assignment with a sponsoring organization. Each sponsoring organization will assign a person to serve as the student's mentor. HHS will train the student and monitor his/her performance. The internship coordinator provides support and assists as needed.

**Apr 26: Eric Smith**, Healdsburg Fire Dept., update on fire prevention.

Our own Firefighter Eric Smith gave us some fire safety tips using fire extinguishers and other fire suppression methods. Eric described the various types of fire extinguishers, focusing on those used for flammable liquid fires such as could occur on our deep fryers.

The large extinguisher in the photo is a wet chemical extinguisher using potassium acetate as the extinguishing agent. It extinguishes flammable liquid fires by cooling and forming a foam blanket to prevent reignition. The red one is a water extinguisher commonly found in most homes. They are suitable for fighting fires involving solid combustibles such as wood, paper and textiles.

#### **Rowdy presents a Certificate of Appreciation to Eric**

Thankyou Eric for the valuable education.

#### **Firehouse dalmatian duties**

A grandfather was delivering his grandchildren to their home one day when a fire truck zoomed past. Sitting in the front seat of the fire truck was a dalmatian. The children started discussing the dog's duties. "They use him to keep crowds back," offered one child. "No," said another, "he's just for good luck." A third child settled the argument. "They use the dogs," she said firmly, "to find the fire hydrants."

### **\$Happy/Sad\$**

Randy Collins great to see everyone. In Healdsburg to load up U Hall with remaining household goods. Have purchased a home in Union Washington, southwest of Puget Sound near the Hood Canal. Getting settled in.

Judy Everett happy for Jerry's limerick about LeRoy and Kilroy.

Jim Schmidt happy to see all after a long absence recovering from back surgery.

Denny Stead happy Rich Norgrove has donated 2 new deep fryers.

Susan Sheehy happy for successful weekend program at the museum (see Creative visioning, following).

Anna Grant happy for the successful launch of the Bistro at the Senior Center. Served over 85 in the first two days.

Nancy Arsenault happy daughter Sara is coming to stay for four months while husband is serving in the South China Sea.

Judy Everett happy to be back after traveling. Florida for spring training, Detroit for opening day and other destinations.

## **Creative visioning sessions about and for the Healdsburg Museum**

On the weekend of April 1 and 2 museum architectural designers Kulapat Yantrasast and Brian Butterfield of Studio WHY helped facilitate three visioning sessions with a group of 60+ community stakeholders and museum insiders (board, staff and a few volunteers and student interns). Funding for the Studio WHY consultants came to us through the generous support and connections of the Pam Sher family, to help assess the opportunities to expand the Museum presence in the community beyond the Museum walls and suggest how to make best possible use of the interior and exterior space we have, though small.
