SPEAKER TO DAY: DR. JOHN O. RAFFETY,
COUNTY HEALTH OFFICER
CHAIRMAN, DR. ED. BLAIR.

Isn't it refreshing to hear and see a lady in the role of speaker every now and then? Scholarly Helen Bishop spoke on a lofty plane, our Latin-America ties. Elevating.

Ben Madison writes from Sacramento: "Think of poor Owen! It must be terrible for him to know that his one good friend who always helps him on a different song is not there to cross him up."

But this is not to revive the diabolical practice of singing three songs at once. Heaven forbid!

Chairman next week: "Handy Andy"
And June 17th: O Johnnie Condit
Wonder how he can attend to business, wedding bells in his ears.

QUESTION BOX

WHAT WAS THE SUBJECT
DISCUSSED AT OUR LAST
MEETING ?

When it comes to the end of the month of May the smell of fishing tackle is as myrrh to the nimrod's nostrils. To liberal a construction is put on the definition of "legal limit" 'fraid this is true of some of our gang. Furthermore, a zone marked "Closed" is translated "Open" to fishing by a few we know. Gentlemen, beware of "Law This Side of Pecos" - meaning Healdsburg City Hall.

DO YOU KNOW: that Memorial Day should be observed by at least a few appropriate words to day ?

Directors' meeting this week Thursday - 7-30 breakfast at Buffi's. Remember not to forget. FORTUNA CHARTER NIGHT -

Dr. Agnes Fay Morgan to day. This lady is head of Home Economics Dept. at U.C.; also, of the Nat. Nutrition Conference. "Andy" Anderson, Chmn. Invite your ladies. Special music.

That was a clear cut presentation of disease prevention in Sonoma County by Dr. J. O. Raffety last week. Too bad so many of our doctors and dentists had to be called to the telephone in rapid succession - only to find that no one was calling!

Sunday morning at 4 - just think of it - Russ, Floyd, Owen and Governor Bill pulled in at this station from Fortuna, where said quartette displayed their talents at Charter Night exercises. What a "degree team", this! Echoes from the new tall timber Club resound: "Fortuna's on the map."

Another function: We thought there'd be 15 or 20; last night 'twas nearer 40, in a Russ Stevens "send off" to International Convention, Wednesday. A gala time; testimonializing our somewhat embarrassed Lieutenant Governor. The Stevens - McConnell-Schaper aggregation will be chaperoned by their Kiwanis-Anns.

QUESTION BOX

What's the "dif" between a Kiwanis objective and an object?

Now that Lytton Home has a new crafts building - thanks to Lin Gilbert - the Directors are taking steps to appropriate some cash towards purchase of equipment. Of course, we have our financial limitations.

We announce: The best flock of committee reports in one long time; and meaningful reports too. Hip, Hip.

"SELECTION OF A VOCATION" will be dwelt upon at this meeting by Mr. Hermon Spindt, Employment Secretary of the University of California. John Condit, Chairman of the Day.

Big day, this, - entertaining 85 High School graduates, as is our yearly wont; awarding the Kiwanis placque to the "best citizen student"; paying considerate attention to our youthful guests. Special music.

Each member should have in tow a couple of students; sit with them; sing with them; introduce them; entertain and break bread with them.

Reminding the Reception Com., Sandborn, Cooley & Fry, here is your chance to function.

To day's program is just another illustration of close relationship between this club and the public schools. Their principals are our members. We're for the school.

"Look after your vitamins" - gist of Dr. Agnes Jay Morgan last week. An enlightening program. One of our best. And that sextet of songsters! Weren't they "wonderful"?

Welcome to Harold Morehouse, our baby; but apparently fully big enough to "take it and dish it out". We were in need of a balance wheel-minister. Now we have him.

The big conclave (International Convention) in full swing at Atlanta to day. Hope Cloone takes care of Russ, goin', an' comin'.

QUESTION BOX

WHO IS HE TO SOON
CHARIVARI ?

Coming from the San Francisco Stock Exchange
is
MR. JACK M. BOTTS
whose subject is "Stock Exchange of To Day"
Chairman Lieu Hall

A perfect day, last week, hospitalizing 85
H.S. graduates, awarding the Kiwanis plaque,
feasting, frolicking and singing with those
American stand-bys of to morrow.

Then, too, at this selfsame
get-together we were amazingly
awakened by that neat and nifty
program-handling by Chair-
man Johnnie Condit (bachelor of
very temporary status), and es-
pecially considering his pres-
ent preoccupation of ^{visioning} ~~building~~
a nuptial nest. O, Johnnie,
how COULD you do it? So well?

We're happy to receive that
interesting weekly bulletin
from the new born club in the
Redwoods - Fortuna.

July 1st, another Kiwanis re-
cruit. A 20-30 graduate.

Sorry to ^{lose} "Em" Meyer for a year
or so; but the "Doc" continues
a Kiwanian in the interim, by
virtue of arrangement for Mil-
itary Service membership. We'll
be seein' you again, First
Lieutenant. Write us a letter.

HEALDSBURG'S SATURDAY NIGHT!!!
A generation hence there'll be
a harking back to our big band
concerts and entertainments in
the Plaza - such as thousands
enjoyed June 21st. And Kiwanis
takes some credit. Were it not
for our own Owen there'd be no
such trumpet blowin'.

RE: ATTENDANCE: "Make up" just
before and after your vacation,
thereby showing Kiwanis loyalty.

Next issue, membership roster
brought up to date. For any and
all mistakes - roast the editor.
