Conditions, customs, castes, - intelligently portrayed by our local lady, Mrs. Jesse Manley.

One of the best lectures ever given to our club.

But we wouldn't care to live in India.

FRED ZIMMERMAN

Chairman

We must do without "Fin" once again. He's now tonsil-less, and must get a break until back to normal. Neil on the job.

With all the limitations attendant on rationing, for those "nifty" luncheons the Legion ladies deserve much praise. Buon Gusto.

How clannish those women be! Whenever a lady speaks there are several more in the midst of us. Nice to see them last week.

Lady (in Darby's office)
"I came to see if you think I have grounds for divorce".
Lloyd (business-like);
"Are you married?"
"Sure". Squire: "Very best grounds".

Who silently speaks more eloquently than the American Flag? Next was that demonstration of said emblem by Col. Branham last Tuesday. Those "exhibits", those words impressed. Thanks Chmn, Fred.

"LOOKING BEYOND THE PRESENT WAR"

by

Our Fred Zimmerman

"Right smart" subject, we say.

John McClish, Chairman

Aren't we having high grade programs these days? And another one is on tap to day. War doesn't seem to militate against classy sessions with us!

Flash! Sad news! Blest be the memory of Bill Rumbold. Former Healdsburg Kiwanian and fine fellow, according to dispatches, has passed away. Our sympathies for Mrs. Rumbold and family.

President Finnly recuperating gradually. Hope he'll be with us to day - not certain.

Recent actions by our Directors: Financing a \$50.00 scholarship for local high school graduate; financing expenses of youth to Boy State convention, \$20.00.

Heap BIG time next week. Entertaining H.S. graduates, making certificates, et cetera. Details next issue.

GRADUATION PROGRAM

A gala day for the outgoing high school boys & girls. Annual event for Healdsburg Kiwanis Club.

We commingle with Young America at our weekly luncheon.

We award the Kiwanis Plaque to the designated "best citizen student".

We award a Fifty Dollar Scholarship to the lucky, or deserving student.

We entertain the youths. We sing with them, congratulate them.

We bring for them an inspiring speaker, Attorney John Lounibos, of Petaluma City. He's eloquent - this gentleman.

Francis Passalacqua, Chairman of the Day.

Let's not forget. "Looking Beyond The Present War" was handled by our Fred Zimmerman last week in a manner suitable, we think, to a number on an International Convention platform. In fact that speech should be delivered on other occasions. Great stuff, Fred. Thanks to John McClish for furnishing such a program.

To recapitulate: In the recent past, such subjects as The Seefeldt Case; India; Rehabilitation; The American Flag; Looking Beyond the Present war, High School Graduation Program - all making for exceptionally interesting meetings - quite some variety, these.

Now, it has been ordained that we have something still different for to day - a program of sweet music, if you do not mind. And as sponsor-chairman who else should that hombre be but Slide Trombone Artist Harry Latimer? Leave it to our own band-orchestra performer in a thousand concerts to give us a thrill - he and his group of musical cohorts.

Well, the H.S. Commencement big noise is now "done gone". We, as is our wont, did our part: Entertained the graduates at weekly lunch; awarded a scholarship; presented our placque; introduced an inspiring speaker, Mr. John Lounibos, to "send 'em on their way." Even brought back "Sugar" to lead the songs. By the way, Owen promises to rejoin us soon again. Glad tidings of great joy.

Fortuna Club Bulletin: "Russ Stevens of Healdsburg and his good friend, wife, Cleone, were present (June 1) and Russ gave a fine talk on the duties and obligations that Kiwanis has in the war."

It was Fortuna's anniversary; and Russ "Was there" at its organization - he as lieutenant Governor. One of those achievements during his administration. Great year for Healdsburg Club.

Last Time;

Thanks to Harry Latimer for promoting that delightful musical.
Margaret Morehouse so delicately touching the ivories;
Jerry Whitwell with trombone;
Bill Wendt with voice-all good.

"DISASTER RELIEF AND CIVILIAN WAR AID"

by

MR. DON CRAMER,
Asst. Manager Disaster Service,
Pac. Area, American Red Cross

HAROLD ROSENBERG, CHMN.

Russ Stevens may just as well affix his signature, or non de plume, to his poetic contributions hereafter. Those verses on the editor last week unmistakably smacked of that beautiful rythm so divinely inculcated at Stanford. And Russ is a Red, you know.

To the Club -

"Gentlemen:

The Seventh Boys' State has just closed. The Department of the American Legion, the Boys' State Commission and myself, wish to thank you for sending to us Harold Miller. ---

We hope you will feel repaid for sponsoring this fine young American and will cooperate with us again next year.

Sincerely, Ralph W. Mitchell,
Camp Director."

Here comes July. We cast the fly (not swat). We're bound to hic for the wilds, some of us. Must attendance suffer? Or, shall we "make up" before and after the outing? Thursdays at S.R.
