

A few items of interest on actress-comdiienne June DeRoche:

1. 30 years experience in the theater.
2. A distinctive talent.
3. Started entertaining at 3, serious at 4, professional at 20.
4. Appeared in KFRC Variety Show, 6 years of the Drunkard in Berkeley and 5 months at the Palace Hotel SF, followed by Hollywood.
5. Purchased home on Redwood Drive on North Fitch Mountain in 1929, retired there in 1961.
6. An artist, the walls of her home are covered with her oils and embroideries.

Appearing in a lovely long pastel green dress, June set the stage by saying, "The Lord has let me live a long time and I feel I must repay him for as much of that as I can." She finished by adding, "Do come and visit me, bring your wives."

Kiwanis Bulletin
7-11-78

Another first for Healdsburg Kiwanis-the Roundtable last Tuesday developed from a routine sign-up to a full-blown roast beef lunch, with seconds of roast beef and no fines! All this while 18 of our gang were enjoying a FLY-IN to Willits.

Our cook team operates like a well oiled machine, in the kitchen, with years of momentum and experience. And they must be turned off or it comes out every Tuesday.

Pray as if everything depended on God, work as if everything depended on you.

Next Tuesday, July 4th, there is no meeting, no roundtable and if that wonderful cook team is told-no lunches.

Next Wednesday, July 5th, there will be a Board of Directors meeting at Fran Branern's home at 317 Matheson. All Board members are expected and new members are especially invited. All in attendance will witness Fred "low-key" Haley preside. So give Caesar his due, new members-learn how he makes it work - Kurt, Dave, Loren, Eugene and Terry.

Walter Wright reports on InterClub:

1. On Thursday, June 22, ten members attended lunch at Los Robles and enjoyed the fraternity of the Downtown Santa Rosa Club.
2. This past Tuesday, 18 members and 3 guests flew in 5 planes from a foggy Healdsburg to an all clear Willits, enjoyed lunch with our northern neighbor, plus 5 who traveled 101 from Geyserville. President Fred Haley and Vice President Bob Young led the group, returning safely after lunch, from a Nice Day in the Sun.
3. InterClubs to go -- pick yours and make it 100% again: Fort Bragg, Ukiah, Redwood Empire (Santa Rosa's breakfast club) Sonoma and Sebastopol.

The world is composed of givers and takers: the takers eat better and the eaters sleep better.

THE BUILDER

Kiwanis Bulletin
7-18-78

I'll try again-first error was mine, not the Answering Service: "The world is composed of givers and takers - the takers eat better, but the givers sleep better."

Bruno Rodella presided in the absence of President Fred and Vice-President Bob. Bruno, you handled your job today as though you've done it many times before.

Loren (new member) Lewis as Program Chairman, introduced Sgt. Charles Smith of the Sonoma County Narcotics Bureau. Charles Smith covered interesting ground, much of it also pertinent to our membership. 1960 witnessed the renaissance of drug abuse - with all sorts of drugs available and no government force to cope with the problem involved. By 1970, the government crack down had developed to an effective point. The profi. motive from pushing narcotics initially provoked the younger people to become involved. Professional and unscrupulous drug dealers then moved in and forced the younger and newer pushers out - with widespread violence. Enforcement in Sonoma County, not the final solution to our drug problem, does keep people honest and holds the lid on the problem. 93% of drug arrests result in convictions. Charles Smith has a team of agents working seven days a week buying and convicting. Each agent averages about 70 hours a week. In turn, the Sheriff does support the NARC Team. His question and answer period, like his formal presentation, was intensely interesting. It's good to know that we have the likes of Charles Smith on our side.

Guests - Walter Egan, Sonoma County Superintendent of Schools, and Jim Halverson, President of Santa Rosa Downtown Club. Discussion followed their introduction about a missing bell needed by the Downtown Club to crank up a new Kiwanis Club in Rohnert Park. Walt Wright's name was kicked around, but the final note was one of mystery; Walt, like the bell, was missing.

Lee and Glen were fined for poor documentation on their attendance slips and Tom Roscoe our newest member of the Board was serenaded for a lively birthday fine.

Bruno and Loren both turned in an excellent performance.

"You won't find fraternalism, unless you bring some with you."

THE BUILDER

Kiwanis Bulletin
7-25-78

Bob Young did it again - presided and presided well.

No guests, but Ken Gonsalves did dip deeply and graciously for his Happy Birthday.

Fraternalism is like a muscle - unused, it withers.

Next Tuesday, 7/25, Kiwanis lunch will be held at MIDTOWNE CAFE instead of at Federated. Bring your chopsticks if you wish, but - COME.

Chuck Reichel asked for Kiwanis volunteers to turn out next Saturday morning at 8 AM at the Elementary School, across from Boy Scout Hut on First Street, to help assemble the playground equipment which the Kiwanis purchased and donated to the school. Bring a hammer. Lunch will be provided at 1200 for those who can stay that long. You are welcome for an hour or four. The job should be completed in a few hours with a good crew.

Ed Burke was in attendance, a good face to see again. Welcome Ed! We need you, boy!

Dave Hinton, program chairman, introduced Holbrook Teeter, Chief Psychiatric Social Worker at Lytton Salvation Army. He gave us a thumb-nail sketch on the history of Lytton, which started as an orphanage and later turned into a retreat center - and eventually and currently an Adult Rehabilitation Center. Lytton now works with addicted men, mainly alcohol some with dual addiction (alcohol and drugs). Capacity at Lytton is 64 people at any one time. Lytton supports itself by donations from the public of household effects and other personal effects which are in turn repaired or processed as necessary and put into Retail Store Outlets. This includes the counties of Sonoma, Mendocino, Lake, Napa, and Solano. Religious services are also included in the Lytton program as well as group therapy and recreation activities. Consideration is now being given to opening up a women's unit to parallel the men's, and it is expected this will happen within the next year.

He then discussed causes and cures of alcoholism. Alcoholics Anonymous has been determined to be the most effective single cure and this is included in the Lytton program. Causes are many - not one paramount as in the cure cycle.

Questions and Answers were equally interesting. Most pertinent: the men are expected to, and do, work a forty-hour work week. This is a basic part of their therapy. In exchange they are given board and room, clothes, if needed, a full blown therapy program, plus a few dollars a week of spending money.
