CONGRATULATIONS & WELCOME

VADIM "VAD" JELTON

Our newest member was born in Odessa, Russia and has lived in our community for 12 years. He and his wife, Patricia, observe July 13th as their wedding anniversary. They are the parents of one son who has now grown to man's estate. "Vad" resides on W. Soda Rock Lane and sells real estate for McCluskey Realty in Santa Rosa. He lists golf and horseback riding among his favorites sports and would like to serve wherever best his talents are needed on Kiwanis committees. We are honored to have you join us, Vad and Pat.

THIS WEEK'S PROGRAM - Tuesday being a holiday, the secretary will hold a Round Table on that date at 12 noon.

The postponed meeting will be held Thursday, July 6th at the usual time at the regular place. Mrs. James Johnson, who probably knows more about the problems of the handicapped and the retarded in our area than anyone else, will be the speaker. "Dunc" Duncan will be the Kiwanian-of-the-Day.

NEXT WEEK'S PROGRAM - Jack Mounts will chair this program and will provide a speaker who is familiar with local conservation problems.

THOUGHT FOR THE WEEK A 1967 Answer?

1776 - How is a new nation born, nurtured in an unfriendly world of older nations, and established in strength?

1967 - This same vital question can be asked for half a hundred new nations in Africa and Asia today.

Are there 1967 editions of Samuel Adams, John Adams, Thomas Jefferson, Benjamin Franklin and Geo. Washington?

THIS WEEK'S PROGRAM -

The program has been prepared by the Ag and Conservation Committee, Ted Kellogg, chairman. Vern Wagner of the Sotoyome Soil Conservation District Office in Healdsburg will be the speaker. Jack Mounts will be the Kiwanian-of-the-Day. The program will be arranged around showing the work actually being performed in our locality. The soil conservation program is one of the programs that is really "down to earth" and accepted by the farmers involved.

NEXT WEEK'S PROGRAM -

Program Chairman Jerry mumbled the message into his "handsome" Centennial beard, so if you want to know just what will be offered, you must either be present or shake it out of Jerry's beard.

Along the K T-R-A-I-L: It was nice to have Jim Maxwell, the new business administrator for the school district, with us Tuesday -best wishes for a pleasant and profitable sojourn in Healdsburg!. . .It's quite a revelation to find out how the obvious has passed us by, as revealed by the film Mrs. James Johnson provided on the program on architectural standards for the benefit of the handicapped and elderly citizens.

THOUGHT FOR THE WEEK

If Kiwanis achieves all the accolades of the material world and yet fails to preserve the heritage which has been ours so that it may be the inheritance of future generations, it shall have lost its soul.

(Edward C. Keefe, President, 1965-66)

THIS WEEK'S PROGRAM --

One of the newer and very successful operations at the high school is the debate club. During the school year the club engaged in debate with other schools and now belong to the National Debating Society. The instructor largely responsible for the success of this new activity is Carl Oliva, who will be the luncheon speaker today.

NEXT WEEK'S PROGRAM --

Ken Gonsalves is arranging this program and is working on the theme, "What is so rare as a cool day in August? Then, if ever, come real schorchers!"

THINK ABOUT IT!

One good way to save face is to keep the lower half shut!

FROM CONFUCIUS

The man who loves truth is better than the man who knows it, and the man who finds happiness in it is better than the man who loves it.

THOUGHT FOR THE WEEK

I believe that action, positive in nature, high in motivation, is absolutely essential to the good life, and that, in the end, is the significant life. I believe that faith in God, demonstrated through religious participation, requires more of a man than the acceptance of God's comfort. I believe that religion should be a challenge.
