"THE LITTLE GIANT" COMES THROUGH:

Filling in for program chairman John Uboldi, and not being able to find a speaker, Earl Osborn took to the rostrum himself and came up with a winner. He spoke on the life of Sonoma County pioneer Major Sullivan. It was refreshing and proved to be one of the most interesting programs of the season.

LAST WEEKS PROGRAM

All the club Brass was absent from the meeting on 8-2-77. So Secretary Fran Brannern chaired the meeting. Even the program chairman Frank Turpin was absent. Frank Wilson filled in and introduced the Brass from the City of Healdsburg Administration in the persons of Charley Brown, our City Manager, his assistant and the cities new Fiscal Officer. Seeing all this High Priced Talent one can't help but wonder how our own Ed Langhart carried on the functions of all three all by himself just a few short years ago. Ed is a truly remarkable man. All members present were most enlightened with the speakers and thank Frank for bringing them to us.

THIS WEEKS PROGRAM

Ernie Gondola will be program chairman today and will introduce Leslie Hull, Sonoma County Safety Co-Ordinator who will speak on the subject of Bio-Rythum. Should be interesting.

ATTENTION GOLFERS

Don't forget the Division Golf Tourney in Sonoma on Wednesday, Aug. 10, Art and Glen would like a good turnout to help Healdsburg defend the title. Anyone who can make the scene contact Art or Glen.

DIRECTORS MET

The Directors met on 8-2-77 at the home of Chuck Reichel and carried out The Routine Business of the Club. No report of the proceedings was made to your editor so nothing of importance must have been discussed.

LAST WEEK'S MEETING

The meeting on the 9th was presided over by Past President Roger in the absence of President Ken and Vice President Fred. Roger did his usual good job. Ernie Gondola was program chairman and introduced Les Hull coordinator of Safety for Sonoma Co. Les has done considerable research on the subject of Biorythm, Les is an outstanding speaker, well informed on his subject and was certainly one of the best programs of the year. Thanks to Ernie for arranging it for us.

THIS WEEKS MEETING

This week Garry Rosenberg will introduce Jack Trotter Local Military Historian and collector of Military Memorabilia. Jack will give a talk entitled "The Custer Myth" promises to be another good one.

"WE BUILD!"

THE BUILDER

KIWANIS CLUB
AUGUST 23, 1977

LAST WEEKS PROGRAM:

Was a total Bust. Gary Rosenberg was chairperson and failed to produce the advertized speaker. He made some lame excuse about having no excuse proceeded to take his frustration out on the club by assessing an unduely large number of fines and then adjourned the meeting to the Healdsburg City Museum. Many members took this opportunity to view the collection for the first time and were favorably impressed.

GOLF TOURNAMENT:

Glen Davis gave a detailed report on the division Golf Tourney in Sonoma. It was evidently an outstanding affair with many of our members contributing their effort to make the event the sucess it was. Sonoma Ran in a Bunch of Sandbaggers and lifted the Division Crown from Healdsburg.

PREXY?

Look forward to the announcement that Jack Butler will be our next Prexy.

THIS WEEKS PROGRAM:

Will be chaired by Tom Roscoe who assures all that it will be an improvement over last week.

NEW MEMBERS:

Dick Saxton- Manager Bank of America 433-3371
Wayne Pelton- Healdsburg Floor Covering 433-1416

KIWANIS CLUB
AUGUST 29, 1977

DUE TO A BREAK:

in the communications link the Builder editor neglected to inform the membership that the meeting of the 22nd would be held at the MidTown Cafe instead of the usual site. Anyway after some traffic direction by Fran most of those who intended to attend found their way to the MidTown. Tom Roscoe introduced Dave Pugh who gave a most interesting talk on the National Park Service in General and the Pt Reyes National Seashore in particular.

THIS WEEK THE MEETING SITE:

will again be the Federated Church. Rumor has it that Jack Butler will speak on the District Training Conference which he recently attended in San Jose. Jack is certainly being thrown----right into the line of fire. As a result of his recent unexpected promotion in the clubs officer corp. Jack is certainly equal to the task with his extensive military background.
