## THIS WEEK'S PROGRAM - August 19, 1969

Dennis Doherty of Doherty Sasselli Company, Santa Rosa, will be the speaker for today's program. He will discuss leveling devices to use to counter the tight money market of today. Bruno Rodella will be the Kiwanian-of-the-Day to chair the program. Bring a friend for this discussion.

## NEXT WEEK'S PROGRAM - August 26, 1969

Garry Rosenberg is arranging for this program and will have Virgil Isley make a presentation. Plan now to bring a potential member as a guest.

## ALONG THE WAY

Some thoughts: It's a sharp teen who makes choices according to what is best for his or her own life in the long view and not according to crowd coaxings or group teasings or mob psychology or emotions of the moment ..especially the emotions of 1969.

Education is a process between 4 and 16 years of age. At 4 we have all the questions and at 16 we have all the answers.

Along the K T R A I L: . . . . Seen at Geyserville on Thursday, -Frank Turpin, "Dunc" Duncan, and Vad Jelton -if Gunnar hadn't been in the wrong pew we would have had enough for an inter-club. . Says Geyserville, "Where was Healdsburg at the District meeting?". . . . . The bowlers had their annual dunking and came up clean for the start of another -- we hope -- successful year!

**THIS WEEK'S PROGRAM - August 26, 1969**

For the last meeting in August, Garry Rosenberg has arranged the program. Virgil Iseley will be the speaker. Garry will be the Kiwanian-of-the-Day. Bring a friend.

**NEXT WEEK'S PROGRAM - September 2, 1969**

It is getting time to start polishing up the choicest of the apple crop in anticipation of being re-united with Home Work and Teacher. Prepared to give us a quick introduction to teachers new to the district, will be Earl Osborn, program chairman for the day. The teachers will be our guests.

Along the K TRAIL: . . . . . President Ed is still trying to collect anything historical about our club . . . . so if you run across any documents or items of historical interest --be sure and bring to our president. . . . Did you remember to mark November 4th for Rubinoff and his violin for a public program at Frost Hall?

Whatever happened to August? -almost gone before it was introduced -a victim of the long hot summer! . . . Has it really been that hot, or does Wally Haehl's temperature and time gadget at the bank make believers of us? . . . . .

: THOUGHTS TO LIVE BY

It is not what men eat but what they digest that makes them strong; not what we gain, but what we save that makes us rich; not what we read, but what we remember that makes us learn; and not what we preach, but what we practice that makes us Christians.

-Francis Bacon
