KIWANIS BULLETIN

Sept. 9, 1980

The program for the meeting of Sept. 9 will be a surprise. Dick Saxton is on vacation and has not revealed what he has planned for "Admission Day". However we do know it will be up to the high standard of the many fine programs we have had this year.

Last Tuesday's program theme was "Back to School", and Supt. Bob Malone chaired the program which included a talk on the Sonoma County Regional Occupational Program by Bud Cavallini, Head of the program for Sonoma County. Bud pointed out that Healdsburg was one of the first school districts to move into the area of vocational training in the early 70's. We now have preparation for 13 different occupations and over 400 students participating in the Healdsburg area R.O.P. programs.

Supt. Malone also indicated that the school district has been making a concerted effort to improve the basic skills of its students, and that the last State test results placed Healdsburg students in the top 10% of the State.

Bill Caldwell, principal of Healdsburg High School, reported on his month long tour of 22 states. He indicated that the trip gave him an excellent feeling regarding the heritage and soundness of our country. After visiting Carter's and Eisenhower's birth places, he thought that we might possibly have a presidential candidate from Healdsburg in the future.

KIWANIS BULLETIN  
Sept. 16, 1980

At our meeting on September 16, we will be honoring Walter Wright for his many years of service as a member of Kiwanis. Earl Osborn will be chairman of the day, and will make a presentation to Walt in recognition of his 36 years of service as a Kiwanian.

Dick Saxton was chairman of our program last Tuesday, and he introduced J. Barrie Graham, executive director of the United Way of Sonoma and Mendocino counties. Barrie gave an overview of the United Way organization, how they allot funds, and how it is functioning in Sonoma County. He praised the many volunteers who serve on the Board of Directors (some who are members of the Healdsburg Kiwanis Club) for their fine work. The use of volunteers has enabled the United Way to keep its administrative costs at 12 %. Barrie also emphasized that the money contributed in Sonoma County is expended in our county.

Guests: Darren Barnes -- Healdsburg Key Club  
Craig Egan -- Healdsburg Key Club  
Jim Johnson -- Guest of Art McCaffrey  
Perry Downing -- Guest of Gary Solem  
Don McElroy -- Guest of Bob Young

Fran Branern reported on the Bowling Team and the need to limit us to two teams in the League which started on Sept. 2. He stated that there is a possibility of a third team playing at the Holiday Bowl on Mondays at 6:30 p.m. If interested, call Fran.

President Bob Young read a thank you note from Marge Reynolds for the gift in memory of Frank Reynolds.

Auction: Several members spoke on the Auction and the need for total cooperation of the members if it is to be successful. Bill Fleager posted a list of the items they would like for the auction and indicated that if you did not have any collectibles, money would do nicely. Woodley Frampton pointed out that there were only three weeks to go, so bring in your articles as soon as possible. He indicated that there is still a need for "big ticket" items. Edgar Deas stated that the members might check with business people for any items they no longer use. He also stated that we would accept items on consignment. Glen Davis urged that we all save some time to work on this project.

KIWANIS BULLETIN  
Sept. 23, 1980

Are you interested in how the City of Healdsburg handles your money? If so, be sure to attend the next meeting on Sept. 23, when Kurt Hahn will give us the real facts about City finances.

Last week's meeting was a real tribute to Walter Wright in appreciation of his years of service as a Kiwanian. 68 members and guests were present for the festivities. Thanks to Jo Osborn, the hall was decorated with cartoons of Walt's activities and a decorated bicycle. In addition, Terry Stringfellow baked a special cake showing Walt with a straw hat on his bicycle. Earl Osborn chaired the meeting and opened the program by introducing Heather and Valerie Hayes who entertained us with some vocal selections. Earl then reviewed Walt's activities and leadership over the years. He pointed out the qualities necessary for leadership, and indicated that Walt had all of these. Bob Young presented Walt with a plaque, wallet card, and a gold name badge all indicating life membership status. Walt thanked everyone and expressed appreciation for the cooperation he had received, particularly from his wife, Jo. Walt received a standing ovation from the membership in appreciation of his fine work over the years.

Several guests were present for the occasion: Cala Curtis, Don McElroy, Hal Threewit, Ernie Frandsen, Cleone Tilly, Jo Osborn, Diane Rodella, and Gertie Young. Two Key Clubbers, Mike Hanlon and Jeff Bodwin were also in attendance.

Birthday greetings were sung to Burnett Bidwell.

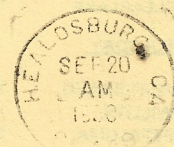

Correspondence: Bob Young read a letter from the Lakeport Club announcing a golf tournament preceding the installation of District Officers at Konocti on Oct. 25. If you are interested, send in your reservations by Sept. 25.

Fran Branern read a letter from the Healdsburg Rotary Club, challenging us to a "slow pitch" softball game on Oct. 18, at 2:30 P.M. at Healdsburg High School. Losers to pay for the refreshments after the game. The members expressed a willingness to accept the challenge. If interested, sign up at the next meeting.

Announcements: Bruno Rodella requested a good turnout for the Installation Dinner for our officers at Los Robles Lodge, Tuesday, Sept. 30. If you are going, you must have your money in by the next meeting.

Woodly Frampton indicated that 25 items were delivered last week for the auction. He emphasized that the sale is on Oct. 11, and that nothing would be sold prior to that time.
