THIS WEEK:

Lou C. Shaw, the insurance adjuster from Santa Rosa, will draw from his wide experience in discussing arson and theft. Bill Williams will back him up from the position of Program Chairman.

LAST WEEK:

Now that the exigencies of the summer season are over, the programs will be in the groove, we hope. Chuck deserves congratulations for his quick response to sudden changes in speakers, programs and chairmen. Senator Abshire's extemporaneous talk last week on appeals for help from government agencies for the prune growers was both interesting and timely. Hick did a fine job as emergency chairman.

1955 OFFICERS:

President Relzy has appointed the following committee to recommend a slate of candidates for officers in 1955:

Ed Beeson, Chairman
Hick Cooley
Waldo Iversen
Harold Miller
Finnly Frisch

The members of this committee should know their way around, as they are all past presidents. The elections will be held two weeks after the nominations have been announced and members given a chance to nominate additional candidates from the floor.

JOINT INAUGURATION - SEPTEMBER 18:

The Sonoma Club has already purchased 50 tickets for this Kiwanis function-of-the-year. For your tickets see or phone Walt Wright.

WHITE ELEPHANT SALE:

The first day brought plenty of customers, but left us short of merchandise. The search is on for more articles for tomorrow's sale.

BOARD MEETING:

Will be held at Ted Kellogg's home tonight at 7:45 p.m. All members are welcome whether they come for make-ups or to join in the discussions. Cross the Russian River Bridge in Alexander Valley, pass Jimtown, turn left into the Geyser Road, count 30 and stop. If you drive a hot-rod, a 15 count will be sufficient.

THIS WEEK:

Our new member, Bob Malone, will discuss junior high schools and illustrate his talk with an educational film. Bob should be well prepared, as he is principal of the junior high opening at the old high school premises in the next few days. The program chairman is Clint Robinson.

KIWANIS ACTIVITIES:

Several interclub activities are planned for the next few days. Healdsburg is traditionally well-represented at these affairs, and it is hoped that each member will attend one or more of them. Details are given below.

INAUGURATION CEREMONY:

A joint inauguration dinner for the Petaluma and Santa Rosa Suburban clubs is scheduled for Saturday, September 18, at the New Pacific Avenue Hall opposite Santa Rosa Junior College. The Hall will open at 6:30 p.m. for a "get-together" with friends from other clubs. Dinner is at 7:30. This is a Ladies' Night.

PETALUMA INTERCLUB MEETING:

On Wednesday, September 22, it will be our turn to hold a joint meeting with the new Petaluma Club and furnish the speaker. The meeting will be held in the Petaluma Hotel at 7 p.m. The speaker will be Smith Robinson. If you need transportation, see Walt Wright.

LYTTON ANNIVERSARY:

Our regular meeting next week will be held in the dining room of Lytton Hall at 12:10 p.m. on Thursday, September 23. Members are cordially invited to bring their wives and guests. Luncheon tickets for guests may be purchased at the door for \$1.25 each. Meals for members will be paid for out of the luncheon fund.

Your Board is inviting Geyserville to make this a joint meeting, and members of all service clubs in the area are also being invited to attend. A speaker will be selected from the many prominent men who have accepted the invitation to attend this 50th Anniversary of Lytton Home.

ROUND TABLE:

The usual "round table" will be held at the Legion Hall for members needing make-ups, on September 21.

KIWANIS ACTIVITIES:

The Kiwanis White Elephant is now over for this year and as with every effort there are a few who should be recognized and thanked for their outstanding work. First, let us all thank Charlie East for his continuous pick up and delivery service, as General Chairman he did everything but polish the shoes at the sale.

Old war horse and faithful Waldo was, as usual, the inspiration for all of us to pitch in and get the job done, being there to get the place in order and there to close the thing up.

Len, Bill Wolking, Jack Wheeler, Roy, Ed Quinn, Phil, Bud, Behney, Bob Malone, By Gibbs were there more than their required time, and were largely responsible for the success of the sale.

Of course we shouldn't forget those Kiwanians who are so necessary and served their regular stints with us men. We especially wish to recognize Elinore Miller, Evelyn Iversen, Mrs. Christensen and Mrs. Don Jackson, for their help. Thanks to all that helped in so many ways. Chuck and Ruth Campbell

THIS WEEK:

Our regular meeting will be on Tuesday, with Ira Rosenberg as Master of Ceremonies. The speaker will be Mr. Paul Leake, from Ukiah. Mr. Leake is a member of the State Board of Equalization.

INTER CLUB MEETINGS:

Those who attended the meeting at Lytton Home sincerely enjoyed the hospitality of Major Sandsbury and the children of Lytton.

On September 18, Charter Night for the new Santa Rosa and Petaluma Clubs was enjoyed by eight members and their wives. Lt. Governor Taylor was the speaker for the evening.

Note: Don't forget Ladies Night coming up soon.

The tentative date for Key Club installations is October 12.

WE WONDER:

Does T V keep members from attending inter club activities?

When Tom Spencer, who is heading the Boy Scout Drive, approaches us for help, will we help?

PETALUMA MEETING:

On September 22, seven members and wives journeyed to Petaluma to meet with the new Petaluma Club. Smith Robinson was the speaker.
