THIS WEEK:

Kennon Gilbert of the Sonoma County Taxpayer's Association will discuss the accomplishments of the taxpayer-supported organization he serves. The Association is to be highly commended for its work at the recent Budget Sessions of the Sonoma County Board of Supervisors. Our program chairman: LEE SAYRE.

BOARD of DIRECTORS:

LEE SILVEIRA will entertain the Board of Directors tonight at eight. The address: 79 Magnolia Drive. Across the street from the Ark (?), that is.

COMMITTEE REPORTS:

DON will be waiting with open arms (but not holding his breath, I hope) for each Committee Chairman to turn in his August Report at our meeting today.

MAKE-UPS:

Last month's attendance was spectacular considering the season. Let's keep up our average this month by making up at the Board of Director's meeting tonite.

LOOK AGAIN?

Notice the resemblance between HEBER and his guest Tuesday? Quite a few members did. HEBER assures us that this was not his brother, but adds that we were not the first to notice the likeness. In fact, he says he's tired of "explaining".

NEW MEMBER:

We are happy to enroll as a member of Kiwanis RAY SKINNER, who recently bought the Farmers Insurance Group agency from Harold Phillips. At this point we should warn RAY that there will be a charge for advertising in the future.

RAY, originally from Oklahoma, has been with the Farmers Insurance Group for several years, recently as Division Supervisor for the Calif. Northern Coast Territory. He has moved into the house formerly owned by Robert Denney in Hidden Acres. We are glad to have you with us, RAY, and promise to keep you busy.

SPECIAL EVENT:

The marriage of a son or daughter of a Kiwanian is a rarer event, statistically speaking, than the arrival of a grandchild. President TED will call on BUD CHRISTENSEN for the details and that the Club will give BUD a big hand.

RESIGNATION:

We regret to announce the resignation of RAY WAINSCOTT. RAY's schedule prevents him from attending meetings regularly at this time, but he hopes to be in a position to rejoin Kiwanis before the year ends.

CHRISTMAS TREE SALE:

Last week's special Board meeting was called to discuss problems connected with this project. The problems have been solved and present indications are that this will prove to be a very successful fund raising venture.

THIS WEEK:

Don Mills who is in charge of Mexican Nationals in Sonoma and Mendocino Counties for the Farmers Association will discuss utilization of the Nationals in our agricultural picture. CHUCK CAMPBELL, Program Chairman.

DIVISION CONFERENCE:

Delegates from all clubs in Division 8 have been called to nominate the Lieutenant Governor for 1957. The meeting will be held at the Saddle and Sirloin restaurant in Santa Rosa from 10 A.M. to Noon on Sunday, Sept. 16th.

TED and CHUCK are our delegates as provided in the By-laws and they would greatly appreciate company on this sojourn. If you can come along, mention it to TED today!

NEXT EVENT--SANTA CRUZ:

The 36th annual district convention will be held at Santa Cruz, Oct. 7th to 10th. Paul Forgey, Mayor of Santa Cruz, is general chairman for the event and delegates should have no difficulty in securing keys to the city.

President TED, Vice Pres. ED and Secretary DON are our delegates to this convention. LEN, IRA and JACK (Wheeler) are alternates. If you would like to join the party see President TED before September 20th for reservations. A very interesting schedule of teas, parties and tours has been arranged for the ladies.

RESIGNATIONS:

We regret to announce the resignation of CHARLIE CASTLE who has moved to Truckee with the Denney Logging Co. Charlie writes that he was hoping to find a Kiwanis Club in Truckee where he could keep up his attendance, but that the nearest club is at Reno, 35 miles away.

*****SEPTEMBER 13th*****

The last day to register for the November election.

THIS WEEK:

Mayor Roy S. Milligan of Piedmont, Calif., entitles his discussion on public relations "It's the Little Things That Count". ED QUINN brings us this outstanding speaker today.

ALL SERVICE CLUB BOWLING LEAGUE:

TOM BLANN represented Kiwanis at the League organization meeting last Tuesday night. Ten teams form this new Tuesday Night League which will bowl at 9:00 PM. TOM was elected League Secretary and promises to keep the books straight. Our Club will "field" two teams and should be a strong contender for the trophy. Bowling will start tonight.

B.S.A. ANNUAL DRIVE:

The burden of organizing this Drive has usually fallen upon Kiwanis. This year Rotary, 20-30 Club and P.T.A. are actively participating and help is expected from the Lion's Club and American Legion.

Kiwanis Majors GERRY MILLER and LEE SILVEIRA will soon call on members to help put across the Kiwanis share of the program. They will be asked to go to the "Kick-off" breakfast at the Country Club on Oct. 2nd and select 5 listed names to call on for contributions. This is a simple assignment and we are sure the efforts of our representatives will be cheerfully supported. The breakfast is free--courtesy of the Service Clubs.

NORTH BAY BASKETBALL TOURNAMENT:

Kiwanis will provide a trophy for the runner-up team this year in the Basketball Tournament of the North Bay League. This tournament is staged annually in December by the Healdsburg High School and draws basketball fans in all school districts from Petaluma to Fort Bragg.

CHRISTMAS TREE SALE:

After a lengthy discussion, your Board of Directors gave final approval to go ahead with this project. ERNIE BIASOTTI is authorized to purchase 700 trees and an additional 50 White Firs if he finds them of good quality. Advance reports indicate that White Firs may not be up to standard this year. President TED recently appointed LEN BOYD co-chairman with ERNIE BIASOTTI and HAROLD MILLER for this important project.

A REMINDER:

If you and your family are planning to go to the Convention at Santa Cruz on Oct. 7th and 8th, don't forget to ask Pres. TED for reservations today.

THIS WEEK:

Never in the history of California has so much money, effort and oratory been spent on any issue as is being expended on Proposition #4 in the November 6th general election. Our speaker today Mr. Lloyd Wyatt, San Francisco resident manager of the Union Oil Company of California will present the case of the opponents to this proposition. Program Chairman; GARY ROSENBERG

OPEN HOUSE:

This will remind you of BY'S invitation to all Kiwanians and their families to attend the Open House at the Fitch Mountain Elementary School on Sanns Lane this Sunday, September 23rd, from two until five. This will be an excellent opportunity to see a beautiful new addition to our excellent school plant.

BOWLING:

Thanks to some last minute efforts by TOM BEAHM, Kiwanis fielded two teams Tuesday night. LEE SAYRE, PHIL CADOSI, LEE SILVEIRA, DICK HOLTZEN, ELVIN JACKSON, RAY SKINNER and JACK WHEELER formed our new team. Bowlers on both teams look forward to the coming season as alley remodeling is being rushed to completion.

BUSINESS EDUCATION DAY:

This annual Chamber of Commerce sponsored function looked like a Kiwanis Meeting. ERNIE FRANDBSEN, JIM CLARKE and BOB ALLEN turned out a delicious barbecued chicken luncheon at the Tayman Park picnic area. LEE SILVEIRA served as master of ceremonies and called on Chamber of Commerce President GERRY MILLER and District Superintendents BUD and BY for words of wisdom. SID GROVE conducted the educators through his plant.
