### THIS WEEK'S PROGRAM -

School days are upon us—and so are the teachers. Those teachers who are new to the district this year will be our luncheon guests today. The program is in the hands of Bob and Earl - who have been greeting teachers for many Septembers. To extend the official welcome to Healdsburg, will be Mr. Chamber of Commerce, Frank Thrall.

### NEXT WEEK'S PROGRAM -

The program is being sponsored by the Support of Churches Committee who have arranged for a speaker from San Francisco to bring a message to the club.

Along the K T-R-A-I-L: ..... Prexy Gerry and Vice Prexy Jerry are soaking up the heat down in Bakersfield this week at the convention. . . .Our bowlers started things rolling Wednesday night... The Los Robles was all-abubble Thursday for the district meeting . . . Would you believe - we're in -down in, that is -third place in the district for attendance?...Unitedly we can do something about it! . . . .

### THOUGHT FOR THE WEEK

What we need today, more than anything else, is to try, wherever possible, to turn aside from this period of ease and idleness, and with firm step, tread the rough road of earnest endeavor, seeking at all times to overcome wrong wherever it exists, and battle for the right in all things.

(Joshua L. Johns, President, 1933-34)

o000o

Along the K T-R-A-I-L: These "Back to School" programs always give us a lift in spirits when we see and are able to visit with all the teachers new to the district each year. . . . We also commend Kiwanian Homer on his "good eye" in picking teachers. . . . The Willing, Able, and Maybe K bowling teams are off and running under the able tutelage of Bowl Chairman Bruno. . . All have their eye on the tourney at Anaheim (Disneyland) next year. . .

## THOUGHT FOR THE WEEK

Most of us are frantically trying to invent a machine which will solve our problems, when all the while we have within us the proper machinery if we will only set it going. That machine is the human soul. The success of individuals, of communities, and of nations depends on the extent to which the spiritual forces, latent in all of us, are wholesomely developed.

(Perry S. Patterson, president, 1918-19)
