This Week- BARTY Ed Nielson will be installed by none other than Tom Ludokeo our LT. Governor. Dinner for usns and Kewanannes at 7:00 at the Guild Hall. Round Table at the Guild Hall at noon -- All Presidents of the adjoining Clubs are cordially invited.

Our talk with Don was very interesting and it was worth while since he is home grown talent. Its always a credit to us and Healdsburg to have a young man who has traveled as he has come back and say this is better than any place I've been. We will wait with sterilized breath for Jarl's report in the future.

The Finance Committee has asked that all expected expenditures for 1957 be turned in by the Committee Chairmen to Ed Langhart before January 19, 1957 so that a budget can be prepared..

Ray Doolan would like to get the reports from the 1956 Chairmen for the Achievement Report --- Hurry, Hurry.

It was nice to see the guest with us last week-- wonder whyi it seems some of the local people aren't guest also?

Hey! Hey! February 2 ----- What's all the singing about?

See you tonight at the party.

Wow---what a party!!! Congratulations to Ed and his new crew. Thanks also to Ted and Catherine and Len and Marion for a Swelligent evening. This was a family type evening with our wandering Tom Ludcke as Lt. Govoner and Installing officer.. He did and outstanding job.

This week we are off with a big start when Len Boyd takes the reins and has as the guest speaker Lauren Hadley freom neighboring Geyserville. Mr. Hadley will give us his views on Alaska and the Inland Passage. An Added attraction ---- A short summary of the actions of the Boys Club Committee by Ross MacKechnie. It has been suggested that all Committee Chairmen get prepared for a like report.

The first of our projects is about to unfold---lets all remember that it is through these activities that people know us. The bigger and more successful they are the larger our station is in the community. Get behind Ed for his first big push.

On Febuary 2, the University of California Glee Club will be town under the sponsorship of our club. Healdsburg's Paul Gilbert (Lt. Gov. of Key Club from Healdsburg) has been instrumental in getting this outstanding choal group as a money raising project. Tickets for students are \$.75 and \$1.25 for adults. Lets ALL sell 10 or more tickets.

Please excuse the Builder's apperance this week ---- WATCH FOR THE BIG CHANGE.

This Week

Our Guest speaker will again be from Geyserville. Don Frediani as Chairman of the day will bring us Eugene Farrell of the Geyserville School System and he will talk on the Crisis in the Middle East.

Thanks Len for that natural home spun Talent of last week. Sometimes admitted inexperience is much easier listing and intertaning than the Proffessional. Thanks again to Loren Hadley for the personal experince.

Election

Our selection of Phil Cadosi as our new board member was duely done Our installation will be with great fan fare and a little fun no doubt.

California Glee Club

The Administration is approaching us from the back!!!. Ameeting of the wives Wednesday to stimulate the success of this project was very good. With the Women in the know, it is certain that some of us will have to take an interest in Self Defense at home. Lets get over the top. There are only 700 seats, so get yours early and you won't get shut out at the door.

This time the Editor is assured that Ross will give us a report on Boys Club Committee. After hearing the enthusiasm of Ira and his Committee I am sure that the Key Club will be rejuvenated to its rightfull place in the school.

The few Kiwanians who can't go to the California Glee Club Sing February 2, I know will help with Russ in Benicia where he will help in the Installation of Tom Ludcke on his big night.

This Week;

Jack Mounts will bring Mr. Dave Sweeney, Chief of the Welfare Department of Sonoma County who will talk to us on "Where our taxes go for Welfare". We can't do too much about taxes, so it will be nice to hear where they go too. The program will be augmented by a short commemoration of the 42nd Birthday of Kiwanis by the Kiwanis Education Committee.

Last Week;

This editor has made up two agenda reports for the builder and both have been changed. This time it was very good to hear Col. Porter. His experiences and information Jade and China were very interesting. Very quick thinking Len.

Project Report;

The President and his Committee reports that the advance sales to Kiwanians was very disappointing. We accepted 135 tickets and as you know 300 will be necessary to break even. That is the story men, so get the ball rolling. We have to do it.

Its quite interesting the stories that the Bowling Team came up with last week. It seems that #2 Team extracted not only the prestige of #1 team, but much to some of the boys disgust (Byron) they also took all the spare change.

These reports of the Committee Chairmen are very enlightening. Often we members don't know what or how much good we do for our community. Thanks Ross for your Report on The Boys Club.

A big dose of medicine was given by "DOCTOR" Elmer last week at his "CLINIC", but a very timely one. It is hoped that with a little tincture of time we will all be better vocally for this interest.

I'm not an alarmist, said Jack Wheeler and I wonder why my comrades are. We can be reasonably sure that in the year 1,000,000 or so B.C., Adam looked over his evening paper one night and said to Eve, "My stars, mama, what is the world coming to? Nothing but horrow headlines!"
