## **Lieutenant Governor Cathy Demattei's Goals**

- 1. Increase net membership** by at least four new Kiwanians per club. Our members are the driving force behind the service that we provide; *more* members means more service, and *new* members means new ideas and new energy.
- 2. Hold a Special Guest Day** at each club in the Division 32. This is a proven method for bringing in new members, and reminding all of us to share our Kiwanis experience with our friends and neighbors.
- 3. Increase participation** by our clubs in other clubs' activities, especially administrative fundraisers. Interclub visits at regular meetings remain important, but you don't want to miss out on other clubs' events, either! The most active club will receive \$200 and a special plaque in recognition of their participation.
- 4. Increase each club's efforts to attend DCMs.** We are all so busy during the year with our own clubs' activities that sometimes we lose sight of what is happening with other clubs in our Division. This is a great way to share your clubs' ideas and accomplishments with the rest of us and to experience great fellowship with other Kiwanians.
- 5. Support our First Lady's Focus**, which is Pediatric Trauma Prevention and the Kiwanis Pediatric Emergency Medicine Fellowship. There are several ways to accomplish this goal:
  - a. Match our District SLPs' contributions to the Pediatric Trauma Prevention program (\$75,000.00!)
  - b. Add an additional service project for children with a safety theme
  - c. Donate \$150 for Pediatric Trauma Prevention (and receive a banner patch!)
  - d. Participate in *Champion for Children* or *Dee's Children*, annual sustaining donor programs comprising regular donations of \$10, \$25, \$50, or \$100 per month
  - e. Donate \$5 (and receive a special commemorative pin!)
